

Take back best April 21. 1837

I saw one Camp Raleigh Rogers and since
that the returned discharge and receipt are
original just and true that he does not for
himself or any other person owe any thing to
the Government excepting for Spain coarse
strong shoes received in San Felipe from N. Tom
said by Colonel Pettus - when going out to
San Antonio - I also rec^d 15 lbs Tobacco
one ~~day~~ twist tobacco - and that he has
not taken or retained any arms
ammunition or any other thing from ~~the~~
going to the Government nor caused the
same to have been done. he further says
that he self, Miriah Spruizer - Miriam Rossen
Wiley Smith and Wm Gilmore received
the same time - a pair shoes apiece except the
Spruizer - that the pair of my rec^d - 15 Yards
double the full and small rose Hank
and returned the same to Quater Master
Bermet at San Antonio for which the
annexed receipt - is an acquittance
to me and to them. I having acted as the
man in seeing the foregoing Raleigh Ro
I went to and subscribed
to be for me on above date
