

Lake Creek Decr 30th 1837

Friend

When I was last at
Houston I left my discharge
with you to be Audited
you were to send it by Doct
Stewart since that time.
I have not seen the Doctor
and consequently do not know
whether you have or have not
sent it — If you have not
please deliver it to Mr. H
Ropson who will hand you
this and thereby much oblige

Yours Respectfully
Francis J. Cooke
