J. W. McQuade Esq.

Dear Sir

Enclosed you will find
certificates proving my being in the Wall & Somerville
campaigns which you please present, and I humbly
authorize you to draw whatever may be due
me, - I was in the Somerville Campaign, until
the company left the Snow west of San Antonio
and when leaving gave a mule that would now
sell for \$150 to a substitute, who so far as I know
went on to Laredo. - by attending to the above
and drawing the money for me you will do me
a favour.

Respectfully

J. W. McQuade
