Census 2020 & Your Community
Katherine Adelberg | Texas State Library and Archives Commission
Tell me about the 2020 Census. What’s new this time around?
How have you used Census data?
What’s already happening in your community around the Census?
How can your library help ensure that everyone in your community is counted?
Take action

Investigate **hard-to-count populations** in your community

- Children under 5
- Households without Internet access
- Renters
- Households in poverty

Take action

Develop partnerships with other groups in your community that are working on the Census

- Complete count committees
- Foundations and non-profits
- Local governments
Join us for a free My First Census picture day hosted by the City of Phoenix and the Burton Barr Library.

About this Event

Many children age 10 and under will be counted for the first time on Census Day, April 1, 2020. What better way to count down to this special occasion than by celebrating their giggles, laughs and smiles with a professional picture day.
