Terms & Conditions

- 12. No Conflicts.** Vendor represents and warrants that Vendor has no actual or potential conflicts of interest in providing services to TSLAC under this Contract and that Vendor's provision of services under this Contract would not reasonably create an appearance of impropriety. Goods delivered and rejected in whole or in part may, at the State's option, be returned to the vendor or held for disposition at vendor's expense. Latent defects may result in revocation of award.
- 20. Payment.** Payment shall be made in accordance with Texas Prompt Payment Act, as specified in the Texas Government Code Chapter 2251. To initiate the process, Vendor shall submit written notice, as required by subchapter B, to the Chief Financial Officer or the designate. A copy of the notice shall also be given to all other representatives of Vendor and the TSLAC otherwise entitled to notice under the parties' contract. Compliance by Vendor with Subchapter B is a condition precedent to the filing of a contested case proceeding under the Texas Government Code Chapter 2260, Subchapter C. Neither the execution of this contract by TSLAC nor any other conduct of any representative of TSLAC relating to this contract shall be considered a waiver of sovereign immunity to suit. The submission, processing and resolution of Vendor's claim is governed by the published rules adopted by the Office of the Attorney General pursuant to Chapter 2260, as currently effective, hereafter enacted or subsequently amended. These rules are found in the Texas Administrative Code. Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by the Vendor, in whole or in part.
- 22. Gifts.** The Vendor has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted Response or contract.

Contracts awarded by TSLAC shall be governed by and construed in accordance with the laws of the State of Texas. The federal or state courts of the United State located in Texas shall have jurisdiction to hear any dispute under potential contracts and serviced may be made upon TSLAC by first class mail to its address as set forth herein.

In the events of conflicts or inconsistencies between this Contract and its exhibits or attachments, such conflicts or inconsistencies shall be resolved by reference to the following order of priority: Signed TSLAC Contract, TSLAC Terms and Conditions, Attachments to the Contract, Request for Proposals, and Vendor's Response to Request to Proposals.

1. **Notices.** Unless specifically noted elsewhere in this Contract, any written notices required under this Contract will be either hand delivered to Vendor's office address specified on the signature page of this Contract or to TSLAC's Purchasing Department, 1201 Brazos Street, Room 309, Austin, Texas 78701, or by U.S. Mail, certified, return receipt requested, addressed to the appropriate foregoing address. Notice will be effective on receipt by the affected party. Either party may change the designated notice address by written notification to the other party.
2. **Debarred Vendors List.** Vendor represents and warrants that it and its principals are eligible to participate in this transaction and have not been subjected to suspension, debarment, or similar ineligibility determined by any federal, state or local government entity and that Vendor is in compliance with the State statutes and rules relating to procurement and that Vendor or its subcontractors are not listed on the federal government's terrorism watch list as described in Executive Order 13224. Entities ineligible for federal procurement are listed at <http://www.sam.gov>.
3. **Duty to Disclose.** If circumstances change or additional information is obtained regarding any of the representations and warranties, or any other disclosure statements, provided by Vendor subsequent to the date of this Contract, Vendor's duty to disclose continues through the term of this Contract.
4. **Sales and Use Tax.** The TSLAC, as an agency of the State of Texas, qualifies for exemption from State and Local Sales and Use Taxes pursuant to the provisions of the Texas Limited Sales, Excise, and Use Tax Act. The Vendor may be able to claim exemption from payment of applicable State taxes by complying with such procedures as may be prescribed by the State Comptroller of Public Accounts. Excise Tax Exemption Certificates are available upon request.
5. **Observance of TSLAC Rules and Regulations.** Vendor agrees that at all times its employees will observe and comply with all regulations when accessing the TSLAC facilities, including, but not limited to, parking and security regulations.
6. **Non-Appropriation of Funds.** The State funds are contingent on the availability of lawful appropriates by the Texas Legislature. If the Texas Legislature fails to continue funding for the payments due under an order referencing this contract; the order will terminate as of the date that the funding expires, and the State will have no further obligation to make any payments.
7. **No Other Benefits.** Vendor shall have no exclusive rights or benefits other than those set forth herein.
8. **Prohibited Use of Appropriated or Other Funds Under Control of State Agency; Lobbying.** Vendor represents and warrants that TSLAC's payment to Vendor and Vendor's receipt of appropriated or other funds under this any resulting Contract are prohibited by Section 556.005 or Section 556.008 of the Texas Government Code.
9. **Public Information Act.** Information, documentation, and other material in connection with this RFP or contract may be subject to public disclosure pursuant to Chapter 552.021 of the Texas Government Code (the "Public Information Act"). Any part of a submitted Response that is of a confidential or proprietary nature must be clearly and prominently marked on each page as such by the Vendor.
10. **Confidentiality and Open Records.** Vendor shall take all necessary and appropriate action to safeguard all sensitive data and other confidential information from unauthorized disclosure. Whenever the transmission of confidential information is necessary, Vendor shall transmit the information electronically, and such electronic transmission shall be secure and the data encrypted, at a minimum, using 128 AES encryption to protect it from unauthorized disclosure.

Notwithstanding any provisions of this Contract to the contrary, Vendor understands that TSLAC will comply with the Texas Public Information Act as interpreted by judicial opinions and opinions of the State's Attorney General. Within three (3) days of receipt, Vendor shall refer to TSLAC any third party requests received directly by Vendor for information to

Terms and Conditions

which Vendor has access as a result of or in the course of performance under this Contract. Vendor is required to make any information created or exchanged with the state pursuant to this contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the State.

11. **Antitrust.** Vendor represents that neither the Vendor nor the company, corporation, partnership, or institution represented by the Vendor, or anyone acting for such firm, corporation, or institution has violated the antitrust laws of this State or the Federal Antitrust Laws, nor communicated directly or indirectly the proposal to any other person engaged in such line of business.
12. **No Conflicts.** Vendor represents and warrants that Vendor has no actual or potential conflicts of interest in providing services to TSLAC under this Contract and that Vendor's provision of services under this Contract would not reasonably create an appearance of impropriety. Without limitation on the foregoing, other disclosures required under this Contract, and other prohibited work provisions of this Contract, Vendor shall, throughout the term of this Contract, comply with and provide all of the following to TSLAC, upon request: a copy of Vendor's most recent audit, if any, together with a full disclosure of any and all internal control weaknesses, if any; disclosure and detailed description of Vendor's most recent peer review, if any, stating the date of the review and irregularities, if any, and concluding comments; disclosure and detailed description of any emerging irregularities, if any, that could materially affect TSLAC's interests; and disclosure and detailed description of how Vendor determines whether Vendor's outside auditors provide consulting or other services to Vendor or Vendor's clients or to TSLAC.
13. **Specifications.**
The State will not be bound by any oral statement or representation contrary to the written specifications.
14. **Delivery.**
 - a) Delivery shall be made during normal working hours (8am-5pm, CT), unless prior approval has been obtained from the TSLAC.
 - b) No substitutions permitted without written approval of the TSLAC's Purchasing Dept.
 - c) If delay is foreseen, vendor shall give written notice to the TSLAC. Vendor must keep the TSLAC advised at all times of status of order. Default in promised delivery (without accepted reasons) or failure to meet specifications authorizes the TSLAC to purchase supplies elsewhere and charge full increase, if any, in cost and handling to defaulting vendor.
15. **Permits, Licenses.** Vendor represents and warrants that it has obtained all necessary permits, licenses, easements, waivers, and permissions of whatsoever kind required for its performance and the performance of its subcontractors under this Contract.
16. **Contract Fulfillment.** If federal or state laws or regulations or other federal or state requirements are amended and judicially interpreted so that either party cannot reasonably fulfill this contract, and if the parties cannot agree to an amendment that would enable substantial continuation of the contract, the parties shall be discharged from any further obligations under this contract.
17. **Control; Ownership; Legal Proceedings.** Vendor shall immediately notify TSLAC in writing of any actual or anticipated change in the control or ownership of Vendor and of any legal or administrative investigations or proceedings initiated against Vendor regardless of the jurisdiction from which such proceedings originate.
18. **Time Limits.** Time is of the essence in the performance of this Contract. Vendor shall strictly comply with all of the deadlines, requirements, and Standards of Performance for this Contract.
19. **Inspection and Tests.** All goods will be subject to inspection and test by the State. Authorized TSLAC personnel shall have access to supplier's place of business for the purpose of inspecting merchandise. Tests shall be performed on samples submitted with the Response or on samples taken from regular shipments. All costs shall be borne by the vendor in the event products tested fail to meet or exceed all conditions and requirements of the specification. Goods delivered and rejected in whole or in part may, at the State's option, be returned to the vendor or held for disposition at vendor's expense. Latent defects may result in revocation of award.
20. **Payment.** Payment shall be made in accordance with Texas Prompt Payment Act, Chapter 2251 of Texas Government Code. TSLAC shall not pay any amounts for any purpose to Vendor or any entity, except as expressly provided in the

Appendix A
Texas State Library and Archives Commission
Terms and Conditions

Contract. TSLAC reserves the right to make payments only upon receipt of a correct invoice, including all of the required supporting documentation. TSLAC also reserves the right to refuse payments for invoices that exceed the rates specified in the Contract.

21. **Dispute Resolution.** Unless an applicable state statute or applicable federal law establishes another procedure for the resolution of disputes, the dispute resolution process provided for in Chapter 2260, Texas Government Code, shall be used, as further described herein, by TSLAC and the Vendor to attempt to resolve all disputes arising under this contract. Vendor claims for breach of this contract that the parties cannot resolve in the ordinary course of business shall be submitted to the negotiation process provided in Chapter 2260, subchapter B, of the Texas Government Code. To initiate the process, Vendor shall submit written notice, as required by subchapter B, to the Chief Financial Officer or the designate. Said notice shall specifically state that the provisions of Chapter 2260, subchapter B, are being invoked. A copy of the notice shall also be given to all other representatives of Vendor and the TSLAC otherwise entitled to notice under the parties' contract. Compliance by Vendor with subchapter B is a condition precedent to the filing of a contested case proceeding under Chapter 2260, subchapter C, of the Texas Government Code. The contested case process provided in Chapter 2260, subchapter C, of the Texas Government Code is Vendor's sole and exclusive process for seeking a remedy for any and all alleged breaches of contract by TSLAC if the parties are unable to resolve their disputes under this Section. Compliance with the contested case process provided in subchapter C is a condition precedent to seeking consent to sue from the Legislature under Chapter 107 of the Civil Practices and Remedies Code. Neither the execution of this contract by TSLAC nor any other conduct of any representative of TSLAC relating to this contract shall be considered a waiver of sovereign immunity to suit. The submission, processing and resolution of Vendor's claim is governed by the published rules adopted by the Office of the Attorney General pursuant to Chapter 2260, as currently effective, hereafter enacted or subsequently amended. These rules are found in the Texas Administrative Code. Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by the Vendor, in whole or in part.
22. **Gifts.** The Vendor has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted Response or contract.
23. **Compensation.** Pursuant to Chapter 2155.004 of the Texas Government Code, the Vendor has not received compensation for participation in the preparation of the specifications for this RFP or contract.
24. **Certification Regarding Non-Payment of Child Support.** Pursuant to Section 231.006 (d), Family Code, re: child support, the Vendor certifies that the individual or business entity named in this Response is not ineligible to receive the specified payment and acknowledges that this contract may be terminated and payment may be withheld if this certification is inaccurate. Furthermore, any bidder subject to Section 231.006 must include names and social security numbers of each person with at least 25% ownership of the business entity submitting the bid. This information must be provided prior to award.
25. **Eligibility.** Under Chapter 2155.004 of the Texas Government Code, the vendor certifies that the individual or business entity named in this Response or contract is not ineligible to receive the specified contract and acknowledges that this contract may be terminated and payment withheld if this certification is inaccurate. Vendor represents and warrants that it is not delinquent in the payment of any franchise taxes owed the State.
26. **Liability for Taxes.** Vendor represents and warrants that it shall pay all taxes or similar amounts resulting from this Contract, including, but not limited to, any federal, state, or local income, sales or excise taxes of Vendor or its employees. TSLAC shall not be liable for any such taxes resulting from this Contract.
27. **HUBs.** Vendor represents and warrants that it shall comply with the Historically Underutilized Business requirements of this Contract.
28. **Indemnification.** Vendor shall indemnify and hold harmless the State of Texas and Customers, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEY FEES, AND EXPENSES arising out of, or resulting from any acts or omissions of the Vendor or its agents, employees, subcontractors in the execution or performance of the Contract and any Purchase Orders issued under the Contract. THE DEFENSE SHALL BE COORDINATED BY VENDOR WITH THE OFFICE OF THE ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND VENDOR MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE ATTORNEY GENERAL. VENDOR AND THE CUSTOMER AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.

29. **Debt.** Vendor agrees that any payments due under this contract will be applied towards any debt, including but not limited to delinquent taxes and child support that is owed to the State of Texas. Vendor shall comply with rules adopted by TSLAC under Sections 403.055, 403.0551, 2252.903 of the Texas Government Code and other applicable laws and regulations regarding satisfaction of debts or delinquencies to the State.
30. **Executive Head of a State Agency.** Pursuant to §669.003, Government Code, the TSLAC may not enter into a contract with a person who employs a current or former Executive Head of a state agency until four years have passed since that person was the executive head of the state agency. By submitting a Proposal, the Respondent certifies that it does not employ any person who was the Executive Head of a state agency in the past four years.
31. **State Auditor's Clause.** Vendor understands that acceptance of funds under this contract acts as acceptance of the authority of the State Auditors Office, or any successor agency, to conduct an audit or investigation in connection with those funds. Vendor further agrees to cooperate fully with the State Auditors Office or its successor in the conduct of the audit or investigation, including providing all records requested. Vendor will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Vendor and the requirement to cooperate is included in any subcontract it awards.
32. **Infringements.**
- a) Vendor shall indemnify and hold harmless TSLAC and the State of Texas, AND/OR THEIR EMPLOYEES, AGENTS, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES from any and all third party claims involving infringement of United States patents, trade and service marks, copyrights, trade secrets or other proprietary rights, and any other intellectual or intangible property rights in connection with the PERFORMANCE OR ACTIONS OF VENDOR PURSUANT TO THIS CONTRACT. VENDOR AND THE CUSTOMER AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM. VENDOR SHALL BE LIABLE TO PAY ALL COSTS OF DEFENSE, INCLUDING ATTORNEY'S FEES. THE DEFENSE SHALL BE COORDINATED BY VENDOR WITH THE OFFICE OF THE ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDEANTS IN ANY LAWSUIT AND VENDOR MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE ATTORNEY GENERAL.
 - b) Vendor shall have no liability under this section if the alleged infringement is caused in whole or in part by: (i) use of the product or service for a purpose or in a manner for which the product or service was not designed, (ii) any modification made to the product without Vendor's written approval, (iii) any modifications made to the product by the Vendor pursuant to TSLAC's specific instructions, (iv) any intellectual property right owned by or licensed to TSLAC, or (v) any use of the product or service by TSLAC that is not in conformity with the terms of any applicable license agreement.
 - c) If Vendor becomes aware of an actual or potential claim, or TSLAC provides the Vendor with notice of an actual or potential claim, Vendor may (or in the case of an injunction against TSLAC, shall) at Vendor's sole option and expense; (i) procure for the Vendor the right to continue to use the affected portion of the product or service, or (ii) modify or replace the affected portion of the product or service with functionally equivalent or superior product or service so that TSLAC's use is non-infringing.
33. **Patents and Copyrights.** Vendor shall defend and indemnify TSLAC and the State of Texas against claims of patent, trademark, copyright, trade secret or other proprietary rights, violations or infringements arising from TSLAC's or Vendor's use of or acquisition of any services or other items provided to TSLAC by Vendor or otherwise to which TSLAC has access as a result of Vendor's performance under this Contract, provided that TSLAC notify Vendor of any such claim within a five (5) working days time of TSLAC's receiving notice of any such claim. If Vendor is notified of any claim subject to this Section, Vendor shall notify TSLAC of such claim within five (5) working days of such notice. If TSLAC determines that a conflict exists between its interests and those of Vendor or if TSLAC is required by applicable law to select separate counsel, TSLAC shall be permitted to select separate counsel, and the actual costs TSLAC's counsel shall be paid by Vendor. No settlement of any such claim shall be made by Vendor without TSLAC's prior written approval. Vendor shall reimburse TSLAC and the State of Texas for any claims, damages, losses, costs, expenses, judgments or any other amounts, including, but not limited to, attorneys' fees and court costs arising from any such claim. Vendor represents that it has determined what licenses, patents and permits are required under this Contract and has acquired all such licenses, patents and claims.
34. **Vendor Assignments.** Vendor hereby assigns an ordering agency any and all claims for overcharges associated with this contract arising under the antitrust laws of the United States 15 U.S.C.A Section 1, et seq (1973), and the antitrust laws of the State of Texas, TEX. Terms and Conditions

35. **Default.** If the Vendor fails to provide the goods or services contracted for according to the provisions of the Contract, or fails to comply with any of the terms and conditions of the Contract, the TSLAC may, upon written notice of default to the Vendor, immediately terminate all or any part of the Contract. Termination is not an exclusive remedy, but will be in addition to any other rights and remedies provided in equity, by law or under the Contract.

The TSLAC may exercise any other right, remedy or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of the Contract, or to recover damages for the breach of any agreement being derived from the Contract. The exercise of any of the foregoing remedies will not constitute a termination of the Contract unless the TSLAC notifies the Vendor in writing prior to the exercise of such remedy. The Vendor shall remain liable for all covenants and indemnities under the Contract. The Respondent shall be liable for all costs and expenses, including court costs, incurred by the TSLAC with respect to the enforcement of any of the remedies listed herein.

36. **Cancellation.** The cancellation of the agreement, under any circumstances whatsoever, shall not effect or relieve Vendor from any obligation or liability that may have been incurred or will be incurred pursuant to this agreement, and such cancellation by TSLAC shall not limit any other right or remedy available to the TSLAC at law or in equity.
37. **Agreement Amendments.** No modification or amendment to the agreement shall become valid unless in writing and signed by both parties. All correspondence regarding modifications or amendments to the agreement must be forwarded to the TSLAC Purchasing Department for prior review and approval. Only the contract administrator within the Purchasing Department or his/her designee will be authorized to sign changes or amendments.
38. **Independent Vendor Status.** Vendor agrees that Vendor and Vendor's employees and agents have no employer-employee relationship with TSLAC. TSLAC shall not be responsible for the Federal Insurance Contribution Act (FICA) payments, federal or state unemployment taxes, income tax withholding, Workers Compensation insurance payments, or any other insurance payments, nor will TSLAC furnish any medical or retirement benefits, any paid vacation or sick leave.
39. **Publicity.** Vendor agrees that it shall not publicize this agreement or disclose, confirm or deny any details thereof to third parties or use any photographs or video recordings of TSLAC's name in connection with any sales promotion or publicity event without the prior express written approval of TSLAC.
40. **Severability.** If one or more provisions of this agreement, or the application of any provision to any party or circumstance is held invalid, unenforceable, or illegal in any respect, the remainder of the agreement and the application of the provision to other parties or circumstances shall remain valid and in full force and effect.
41. **No Waiver.** Nothing in this agreement shall be construed as a waiver of the state's sovereign immunity. This agreement shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas under this agreement or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. TSLAC does not waive any privileges, rights defenses, or immunities available to TSLAC by entering into this agreement or by its conduct prior to or subsequent to entering into this agreement.
42. **Property Rights.** For purposes of this contract, the term "work" is defined as all reports, work papers, work products, materials, approaches, designs, specifications, systems, documentation, methodologies, concepts, intellectual property or other property developed, produced or generated in connection with the services provided under the contract. The TSLAC and Vendor intend this contract to be a contract for services, and each considers the work and any and all documentation or other products and results of the services to be rendered by Vendor to be a work made for hire. By execution of a contract for these services, Vendor acknowledges and agrees that the work (and all rights therein) belongs to and shall be the sole and exclusive property of the TSLAC.

If, for any reason, the work would not be considered a work-for-hire under applicable law, Vendor does hereby sell, assign, and transfer to the TSLAC, its successors and assigns, the entire right, title and interest in and to the copyright of the work and any registrations and copyright applications relating thereto, and any renewals and extensions thereof, and in and to all works based upon, derived from, or incorporating the work, and in and to all income, royalties, damages, claims and payments now or hereafter due or payable with respect thereto, and in and to all causes of action, either in law or in equity for past, present, or future infringement based on the copyrights, and in and all to rights corresponding to the foregoing. Vendor agrees to execute all papers and to perform such other property rights as the TSLAC may deem necessary to secure for TSLAC or its designee the rights herein assigned.

Copyrightable material made by the Vendor for TSLAC shall be considered work-made-for-hire for TSLAC within the

Appendix A
Texas State Library and Archives Commission
Terms and Conditions

meaning of the copyright laws. Vendor shall assign all rights, title and interest in such copyrightable materials to TSLAC. Should this work product prove to be patentable, Vendor will assign all patent rights to TSLAC upon request. TSLAC shall have the right, at its discretion, to keep such work product as a trade secret.

Vendor and Vendor's employees shall have no rights of ownership of the Work and any documentation or other products and results of the services or any other property of TSLAC. Any property or Work not specifically scheduled in this Contract as property of Vendor shall constitute property of TSLAC.

In addition to compliance with the right to examination provisions of the Contract, Vendor must deliver to TSLAC, no later than the forty-eight (48) hours after receipt of TSLAC's written request for same, all completed or partially completed Work and any and all documentation or other products and results of the Services under such Contract. Vendor's failure to timely deliver such Work or any documentation or other products and results of the Services will be considered a material breach of the Contract. With the prior written approval of TSLAC, this forty-eight (48) hour period may be extended for delivery of certain completed or partially completed Work or other such information, if such extension is in the best interest of the State of Texas or TSLAC. If Vendor fails to deliver such Work within forty-eight (48) hours after receipt of written request for same, TSLAC may withhold all payments to Vendor, may withhold all authorization for payment of previously approved and future invoices, may impose liquidated damages of \$1000 per each twenty-four (24) hour period of delay, or a pro rata amount for any portion of each such twenty-four (24) hour period. During the transition from any successor of the Vendor, TSLAC may impose liquidated damages of \$2000 rather than \$1000 per each twenty-four (24) hour period of delay, or a pro rata amount for any portion of each such twenty-four (24) hour period. These liquidated damages are in addition to other remedies and rights that are applicable or available to TSLAC for such failure or delay under this Contract.

43. **Acceptance of Products and Services.** All products furnished and all services performed under this agreement shall be to the satisfaction of TSLAC and in accordance with the specifications, terms, and conditions of this contract. TSLAC reserves the right to inspect the products furnished or the services performed, and to determine the quality, acceptability, and fitness of such products or services.
44. **Deceptive Trade Practices Act (DTPA).** Vendor represents and warrants that it has not been the subject of a Deceptive Trade Practices Act or any unfair business practice administrative hearing or court suit, and that Vendor has not been found to be guilty of such practices in such proceedings. Vendor certifies that it has no officers who have served as officers of other entities who have been the subject of a Deceptive Trade Practices Act or any unfair business administrative hearing or court suit, and that such officers have not been found to be guilty of such practices in such proceedings.
45. **Immigration.** Vendor represents and warrants that it will comply with the requirements of the Immigration Reform and Control Act of 1986, the Immigration Act of 1990 ("Immigration Act"), and the Illegal Reform and Immigrant Responsibility Act of 1996 ("IRIRA") regarding employment verification and retention of verification forms for any individuals hired who will perform any labor or services under this Contract. Vendor also represents and warrants that it shall comply with the requirements of the Immigration Act regarding creation of the lottery system for granting visas and IRIRA which created three (3) year, ten (10) year and permanent bars to entrance into the United States.
46. **Criminal Conviction Certification.** The Vendor represents and warrants that Vendor has not and Vendor's employees have not been convicted of a felony criminal offense, or that, if such a conviction has occurred, Vendor has fully advised TSLAC as to the facts and circumstances surrounding the conviction. this agreement. Vendor shall comply with IRS Publication 1075 requirements if it accesses, processes, stores, or transmits IRS Federal Taxpayer Information.

- c) Access to Internal TSLAC Network and Systems. As a condition of gaining remote access to any internal TSLAC network and systems, Vendor must comply with TSLAC's policies and procedures. TSLAC's remote access request procedures will require Vendor to submit a Remote Access Request form for TSLAC's review and approval. Remote access technologies provided by Vendor must be approved by TSLAC's Information Security Officer. Individuals shall not access internal TSLAC network and systems from outside the United States. Individuals who are provided with access to TSLAC network or systems will be required to participate in TSLAC's Security Awareness Training on an annual basis. The State and TSLAC's Fiscal Year begins on September 1 and ends on August 31. Vendor shall maintain records of all individuals who have completed TSLAC-required training for the duration of the individual's employment with Vendor, plus five years. Upon TSLAC's written request, Vendor shall provide copies of the certificates of completion for TSLAC's Security Awareness Training. On November 1st of each year, Vendor shall submit a list to TSLAC which identifies all individuals who have current access to TSLAC network or systems as well as the most recent training completion date for each individual. TSLAC, in its sole discretion, may deny network or system access to any individual that does not complete TSLAC-required training within thirty (30) calendar days following the date of TSLAC's grant of access under this Contract.
 - d) TSLAC reserves the right to audit the security measures in effect on Vendor's connected systems without prior warning. Vendor must secure its own connected systems in a manner consistent with an auditable information security framework. TSLAC's audit can consist of a review of third party audit results of Vendor's security measures (e.g., SSAE-16 Type II, ISO 27002 assessment). TSLAC also reserves the right to immediately terminate network and system connections not meeting such requirements.
 - e) TSLAC data shall not be accessed from, stored at or transported to locations outside of the United States.
 - f) Where applicable, encryption shall conform to or exceed Federal Information Processing Standard (FIPS) 140-2:
 - 1) Backup media containing TSLAC data shall be encrypted at all times.
 - 2) Transmission of TSLAC data across public networks shall be protected by encryption methods such as Virtual Private Network ("VPN"), Secure Shell File Transfer Protocol ("SFTPS"), or File Transfer Protocol over SSL/TLS ("FTPS").
 - g) If Vendor is a software manufacturer, then Vendor represents and warrants that it has implemented processes for the protection, detection, remediation, mitigation and timely customer notification of software vulnerabilities associated with its software provided under this agreement.
81. E-Verify. By entering into a Contract, the Vendor certifies and ensures that it utilizes and will continue to utilize, for the term of this Contract, the U.S. Department of Homeland Security's E-Verify system to determine the eligibility of:
- a) All persons employed to perform duties within Texas, during the Term of the Contract; and
 - b) All persons (including subcontractors) assigned by the Vendor to perform work pursuant to the Contract, within the United States of America.

The Vendor shall provide, upon request of the Texas State Library & Archives Commission, an electronic or hardcopy screenshot of the confirmation or tentative non-confirmation screen containing the E-Verify case verification number for attachment to the Form I-9 for the three most recent hires that match the criteria above, by the Vendor, and Vendor's subcontractors, as proof that this provision is being followed.

If this certification is falsely made, the Contract may be immediately terminated, at the discretion of the state and at no fault to the State, with no prior notification. The Vendor shall also be responsible for the costs of any re-solicitation that the State must undertake to replace the terminated Contract.

Where the Vendor is unable to certify to any of the statements in this certification, the Vendor shall attach an explanation to these Terms and Conditions.
- G. Vendor understands that acceptance of funds under this contract acts as acceptance of the authority of the Texas State Auditor's Office, or any successor agency, to conduct an audit or investigation in connection with those funds. Vendor further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. Vendor will ensure that this clause concerning the authority to audit funds received indirectly by Sub-Contractors through Vendor, and the requirement to cooperate, is included in any sub-grant awarded.
- H. The Vendor agrees to main all financial and programmatic records, supporting documents, statistical records, and other records relating to this grant award for three year after the last State Program Report for the Texas LSTA 5-Year Plan 2013-2017, is submitted on December 31, 2018. The Contractor will maintain their records through December 31, 2021.
- I. The Vendor agrees to develop or revise, as necessary, any specific written documentation of its current procedures for (1) collecting and reporting performance measures; (2) conducting a fixed asset inventory; and or, (3) any other issues identified in Vendor's internal audit report or grant activities. TSLAC will provide review and guidance to enable final versions to be approved on or before established deadlines.
- J. Vendor may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under a Federal award.  - 1. Temporarily withhold cash payments pending correction of the deficiency by the Vendor, or more severe enforcement action by TSLAC;

Appendix B
Texas State Library and Archives Commission
Library Services and Technology Act (LSTA) - Terms and Conditions

2. Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance;
 3. Wholly or partly suspend or terminate the current contract for the Vendor's program;
 4. Withhold further awards for the program; or
 5. Take other remedies that may be legally available.
- B. Hearings, appeals. In taking an enforcement action, TSLAC will provide the Vendor an opportunity for such hearing, appeal, or other administrative proceeding to which the Vendor is entitled under any statute or regulation applicable to the action involved.
- C. Effects of suspension and termination. Costs of Vendor resulting from obligations incurred by the Vendor during a suspension or after termination of an award are not allowable unless TSLAC expressly authorized in the notice of suspension or termination, or subsequently. Other Vendor costs during suspension or after termination that are necessary, and not reasonably avoidable, are allowable if:
1. The costs resulting from obligations that were properly incurred by the Vendor before the effective date of suspension or termination are not in anticipation of it and, in the case of a termination, are non-cancelable; and,
 2. The costs would be allowable if the award were not suspended, or expired normally at the end of the funding period in which the termination takes effect.
- D. Relationship to Debarment and Suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude Vendor from being subject to "Debarment and Suspension" under Executive Order 12549 (see UGMS Part III, Subpart C, Sec 35) and state law.

All of the following terms and conditions are hereby made part of this contract with the Texas State Library and Archives Commission (TSLAC) by reference. Submitting a Response with a false statement is a material breach of contract and shall void the submitted Response or any resulting contracts, and the Vendor shall be removed from all bid lists.

Contracts awarded by TSLAC shall be governed by and construed in accordance with the laws of the State of Texas. The federal or state courts of the United State located in Texas shall have jurisdiction to hear any dispute under potential contracts and serviced may be made upon TSLAC by first class mail to its address as set forth herein.

In the events of conflicts or inconsistencies between this Contract and its exhibits or attachments, such conflicts or inconsistencies shall be resolved by reference to the following order of priority: Signed TSLAC Contract, TSLAC Terms and Conditions, Attachments to the Contract, Request for Proposals, and Vendor's Response to Request to Proposals.

1. **Notices.** Unless specifically noted elsewhere in this Contract, any written notices required under this Contract will be either hand delivered to Vendor's office address specified on the signature page of this Contract or to TSLAC's Purchasing Department, 1201 Brazos Street, Room 309, Austin, Texas 78701, or by U.S. Mail, certified, return receipt requested, addressed to the appropriate foregoing address. Notice will be effective on receipt by the affected party. Either party may change the designated notice address by written notification to the other party.
2. **Debarred Vendors List.** Vendor represents and warrants that it and its principals are eligible to participate in this transaction and have not been subjected to suspension, debarment, or similar ineligibility determined by any federal, state or local government entity and that Vendor is in compliance with the State statues and rules relating to procurement and that Vendor or its subcontractors are not listed on the federal government's terrorism watch list as described in Executive Order 13224. Entities ineligible for federal procurement are listed at <http://www.sam.gov>.
3. **Duty to Disclose.** If circumstances change or additional information is obtained regarding any of the representations and warranties, or any other disclosure statements, provided by Vendor subsequent to the date of this Contract, Vendor's duty to disclose continues through the term of this Contract.
4. **Sales and Use Tax.** The TSLAC, as an agency of the State of Texas, qualifies for exemption from State and Local Sales and Use Taxes pursuant to the provisions of the Texas Limited Sales, Excise, and Use Tax Act. The Vendor may be able to claim exemption from payment of applicable State taxes by complying with such procedures as may be prescribed by the State Comptroller of Public Accounts. Excise Tax Exemption Certificates are available upon request.
5. **Observance of TSLAC Rules and Regulations.** Vendor agrees that at all times its employees will observe and comply with all regulations when accessing the TSLAC facilities, including, but not limited to, parking and security regulations.
6. **Non-Appropriation of Funds.** The State funds are contingent on the availability of lawful appropriates by the Texas Legislature. If the Texas Legislature fails to continue funding for the payments due under an order referencing this contract; the order will terminate as of the date that the funding expires, and the State will have no further obligation to make any payments.
7. **No Other Benefits.** Vendor shall have no exclusive rights or benefits other than those set forth herein.
8. **Prohibited Use of Appropriated or Other Funds Under Control of State Agency; Lobbying.** Vendor represents and warrants that TSLAC's payment to Vendor and Vendor's receipt of appropriated or other funds under this any resulting Contract are prohibited by Section 556.005 or Section 556.008 of the Texas Government Code.
9. **Public Information Act.** Information, documentation, and other material in connection with this RFP or contract may be subject to public disclosure pursuant to Chapter 552.021 of the Texas Government Code (the "Public Information Act"). 10. **Confidentiality and Open Records.** Vendor shall take all necessary and appropriate action to safeguard all sensitive data and other confidential information from unauthorized disclosure. Whenever the transmission of confidential information is necessary, Vendor shall transmit the information electronically, and such electronic transmission shall be secure and the data encrypted, at a minimum, using 128 AES encryption to protect it from unauthorized disclosure.

Notwithstanding any provisions of this Contract to the contrary, Vendor understands that TSLAC will comply with the Texas Public Information Act as interpreted by judicial opinions and opinions of the State's Attorney Genera. Within three (3) days of receipt, Vendor shall refer to TSLAC any third party requests received directly by Vendor for information to

Terms and Conditions

which Vendor has access as a result of or in the course of performance under this Contract. Vendor is required to make any information created or exchanged with the state pursuant to this contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the State.

11. **Antitrust.** Vendor represents that neither the Vendor nor the company, corporation, partnership, or institution represented by the Vendor, or anyone acting for such firm, corporation, or institution has violated the antitrust laws of this State or the Federal Antitrust Laws, nor communicated directly or indirectly the proposal to any other person engaged in such line of business.
12. **No Conflicts.** Vendor represents and warrants that Vendor has no actual or potential conflicts of interest in providing services to TSLAC under this Contract and that Vendor's provision of services under this Contract would not reasonably create an appearance of impropriety. Without limitation on the foregoing, other disclosures required under this Contract, and other prohibited work provisions of this Contract, Vendor shall, throughout the term of this Contract, comply with and provide all of the following to TSLAC, upon request: a copy of Vendor's most recent audit, if any, together with a full disclosure of any and all internal control weaknesses, if any; disclosure and detailed description of Vendor's most recent peer review, if any, stating the date of the review and irregularities, if any, and concluding comments; disclosure and detailed description of any emerging irregularities, if any, that could materially affect TSLAC's interests; and disclosure and detailed description of how Vendor determines whether Vendor's outside auditors provide consulting or other services to Vendor or Vendor's clients or to TSLAC.
13. **Specifications.**
The State will not be bound by any oral statement or representation contrary to the written specifications.
14. **Delivery.**
 - a) Delivery shall be made during normal working hours (8am-5pm, CT), unless prior approval has been obtained from the TSLAC.
 - b) No substitutions permitted without written approval of the TSLAC's Purchasing Dept.
 - c) If delay is foreseen, vendor shall give written notice to the TSLAC. Vendor must keep the TSLAC advised at all times of status of order. Default in promised delivery (without accepted reasons) or failure to meet specifications authorizes the TSLAC to purchase supplies elsewhere and charge full increase, if any, in cost and handling to defaulting vendor.
15. **Permits, Licenses.** Vendor represents and warrants that it has obtained all necessary permits, licenses, easements, waivers, and permissions of whatsoever kind required for its performance and the performance of its subcontractors under this Contract.
16. **Contract Fulfillment.** If federal or state laws or regulations or other federal or state requirements are amended and judicially interpreted so that either party cannot reasonably fulfill this contract, and if the parties cannot agree to an amendment that would enable substantial continuation of the contract, the parties shall be discharged from any further obligations under this contract.
17. **Control; Ownership; Legal Proceedings.** Vendor shall immediately notify TSLAC in writing of any actual or anticipated change in the control or ownership of Vendor and of any legal or administrative investigations or proceedings initiated against Vendor regardless of the jurisdiction from which such proceedings originate.
18. **Time Limits.** Time is of the essence in the performance of this Contract. Vendor shall strictly comply with all of the deadlines, requirements, and Standards of Performance for this Contract.
19. **Inspection and Tests.** All goods will be subject to inspection and test by the State. Authorized TSLAC personnel shall have access to supplier's place of business for the purpose of inspecting merchandise. Tests shall be performed on samples submitted with the Response or on samples taken from regular shipments. All costs shall be borne by the vendor in the event products tested fail to meet or exceed all conditions and requirements of the specification. Goods delivered and rejected in whole or in part may, at the State's option, be returned to the vendor or held for disposition at vendor's expense. Latent defects may result in revocation of award.
20. **Payment.** Payment shall be made in accordance with Texas Prompt Payment Act, Chapter 2251 of Texas Government Code. TSLAC shall not pay any amounts for any purpose to Vendor or any entity, except as expressly provided in the

Appendix A
Texas State Library and Archives Commission
Terms and Conditions

Contract. TSLAC reserves the right to make payments only upon receipt of a correct invoice, including all of the required supporting documentation. TSLAC also reserves the right to refuse payments for invoices that exceed the rates specified in the Contract.

21. **Dispute Resolution.** Unless an applicable state statute or applicable federal law establishes another procedure for the resolution of disputes, the dispute resolution process provided for in Chapter 2260, Texas Government Code, shall be used, as further described herein, by TSLAC and the Vendor to attempt to resolve all disputes arising under this contract. Vendor claims for breach of this contract that the parties cannot resolve in the ordinary course of business shall be submitted to the negotiation process provided in Chapter 2260, subchapter B, of the Texas Government Code. To initiate the process, Vendor shall submit written notice, as required by subchapter B, to the Chief Financial Officer or the designate. Said notice shall specifically state that the provisions of Chapter 2260, subchapter B, are being invoked. A copy of the notice shall also be given to all other representatives of Vendor and the TSLAC otherwise entitled to notice under the parties' contract. Compliance by Vendor with subchapter B is a condition precedent to the filing of a contested case proceeding under Chapter 2260, subchapter C, of the Texas Government Code. The contested case process provided in Chapter 2260, subchapter C, of the Texas Government Code is Vendor's sole and exclusive process for seeking a remedy for any and all alleged breaches of contract by TSLAC if the parties are unable to resolve their disputes under this Section. Compliance with the contested case process provided in subchapter C is a condition precedent to seeking consent to sue from the Legislature under Chapter 107 of the Civil Practices and Remedies Code. Neither the execution of this contract by TSLAC nor any other conduct of any representative of TSLAC relating to this contract shall be considered a waiver of sovereign immunity to suit. The submission, processing and resolution of Vendor's claim is governed by the published rules adopted by the Office of the Attorney General pursuant to Chapter 2260, as currently effective, hereafter enacted or subsequently amended. These rules are found in the Texas Administrative Code. Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by the Vendor, in whole or in part.
22. **Gifts.** The Vendor has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted Response or contract.
23. **Compensation.** Pursuant to Chapter 2155.004 of the Texas Government Code, the Vendor has not received compensation for participation in the preparation of the specifications for this RFP or contract.
24. **Certification Regarding Non-Payment of Child Support.** Pursuant to Section 231.006 (d), Family Code, re: child support, the Vendor certifies that the individual or business entity named in this Response is not ineligible to receive the specified payment and acknowledges that this contract may be terminated and payment may be withheld if this certification is inaccurate. Furthermore, any bidder subject to Section 231.006 must include names and social security numbers of each person with at least 25% ownership of the business entity submitting the bid. This information must be provided prior to award.
25. **Eligibility.** Under Chapter 2155.004 of the Texas Government Code, the vendor certifies that the individual or business entity named in this Response or contract is not ineligible to receive the specified contract and acknowledges that this contract may be terminated and payment withheld if this certification is inaccurate. Vendor represents and warrants that it is not delinquent in the payment of any franchise taxes owed the State.
26. **Liability for Taxes.** Vendor represents and warrants that it shall pay all taxes or similar amounts resulting from this Contract, including, but not limited to, any federal, state, or local income, sales or excise taxes of Vendor or its employees. TSLAC shall not be liable for any such taxes resulting from this Contract.
27. **HUBs.** Vendor represents and warrants that it shall comply with the Historically Underutilized Business requirements of this Contract.
28. **Indemnification.** Vendor shall indemnify and hold harmless the State of Texas and Customers, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUTIS, AND ALL RELATED COSTS, ATTORNEY FEES, AND EXPENSES arising out of, or resulting from any acts or omissions of the Vendor or its agents, employees, subcontractors in the execution or performance of the Contract and any Purchase Orders issued under the Contract. THE DEFENSE SHALL BE COORDINATED BY VENDOR WITH THE OFFICE OF THE ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND VENDOR MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE ATTORNEY GENERAL. VENDOR AND THE CUSTOMER AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.

Vendor shall comply with rules adopted by TSLAC under Sections 403.055, 403.0551, 2252.903 of the Texas Government Code and other applicable laws and regulations regarding satisfaction of debts or delinquencies to the State.
30. **Executive Head of a State Agency.** Pursuant to §669.003, Government Code, the TSLAC may not enter into a contract with a person who employs a current or former Executive Head of a state agency until four years have passed since that person was the executive head of the state agency. By submitting a Proposal, the Respondent certifies that it does not employ any person who was the Executive Head of a state agency in the past four years.
31. **State Auditor's Clause.** Vendor understands that acceptance of funds under this contract acts as acceptance of the authority of the State Auditors Office, or any successor agency, to conduct an audit or investigation in connection with those funds. Vendor further agrees to cooperate fully with the State Auditors Office or its successor in the conduct of the audit or investigation, including providing all records requested. Vendor will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Vendor and the requirement to cooperate is included in any subcontract it awards.
32. **Infringements.**
- a) Vendor shall indemnify and hold harmless TSLAC and the State of Texas, AND/OR THEIR EMPLOYEES, AGENTS, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES from any and all third party claims involving infringement of United States patents, trade and service marks, copyrights, trade secrets or other proprietary rights, and any other intellectual or intangible property rights in connection with the PERFORMANCE OR ACTIONS OF VENDOR PURSUANT TO THIS CONTRACT. VENDOR AND THE CUSTOMER AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM. VENDOR SHALL BE LIABLE TO PAY ALL COSTS OF DEFENSE, INCLUDING ATTORNEY'S FEES. 33. **Patents and Copyrights.** Vendor shall defend and indemnify TSLAC and the State of Texas against claims of patent, trademark, copyright, trade secret or other proprietary rights, violations or infringements arising from TSLAC's or Vendor's use of or acquisition of any services or other items provided to TSLAC by Vendor or otherwise to which TSLAC has access as a result of Vendor's performance under this Contract, provided that TSLAC notify Vendor of any such claim within a five (5) working days time of TSLAC's receiving notice of any such claim. 35. **Default.** If the Vendor fails to provide the goods or services contracted for according to the provisions of the Contract, or fails to comply with any of the terms and conditions of the Contract, the TSLAC may, upon written notice of default to the Vendor, immediately terminate all or any part of the Contract. Termination is not an exclusive remedy, but will be in addition to any other rights and remedies provided in equity, by law or under the Contract.

The TSLAC may exercise any other right, remedy or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of the Contract, or to recover damages for the breach of any agreement being derived from the Contract. The exercise of any of the foregoing remedies will not constitute a termination of the Contract unless the TSLAC notifies the Vendor in writing prior to the exercise of such remedy. The Vendor shall remain liable for all covenants and indemnities under the Contract. The Respondent shall be liable for all costs and expenses, including court costs, incurred by the TSLAC with respect to the enforcement of any of the remedies listed herein.

36. **Cancellation.** The cancellation of the agreement, under any circumstances whatsoever, shall not effect or relieve Vendor from any obligation or liability that may have been incurred or will be incurred pursuant to this agreement, and such cancellation by TSLAC shall not limit any other right or remedy available to the TSLAC at law or in equity.
37. **Agreement Amendments.** No modification or amendment to the agreement shall become valid unless in writing and signed by both parties. All correspondence regarding modifications or amendments to the agreement must be forwarded to the TSLAC Purchasing Department for prior review and approval. Only the contract administrator within the Purchasing Department or his/her designee will be authorized to sign changes or amendments.
38. **Independent Vendor Status.** Vendor agrees that Vendor and Vendor's employees and agents have no employer-employee relationship with TSLAC. TSLAC shall not be responsible for the Federal Insurance Contribution Act (FICA) payments, federal or state unemployment taxes, income tax withholding, Workers Compensation insurance payments, or any other insurance payments, nor will TSLAC furnish any medical or retirement benefits, any paid vacation or sick leave.
39. **Publicity.** Vendor agrees that it shall not publicize this agreement or disclose, confirm or deny any details thereof to third parties or use any photographs or video recordings of TSLAC's name in connection with any sales promotion or publicity event without the prior express written approval of TSLAC.
40. **Severability.** If one or more provisions of this agreement, or the application of any provision to any party or circumstance is held invalid, unenforceable, or illegal in any respect, the remainder of the agreement and the application of the provision to other parties or circumstances shall remain valid and in full force and effect.
41. **No Waiver.** Nothing in this agreement shall be construed as a waiver of the state's sovereign immunity. This agreement shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas under this agreement or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. TSLAC does not waive any privileges, rights defenses, or immunities available to TSLAC by entering into this agreement or by its conduct prior to or subsequent to entering into this agreement.
42. **Property Rights.** For purposes of this contract, the term "work" is defined as all reports, work papers, work products, materials, approaches, designs, specifications, systems, documentation, methodologies, concepts, intellectual property or other property developed, produced or generated in connection with the services provided under the contract. The TSLAC and Vendor intend this contract to be a contract for services, and each considers the work and any and all documentation or other products and results of the services to be rendered by Vendor to be a work made for hire. By execution of a contract for these services, Vendor acknowledges and agrees that the work (and all rights therein) belongs to and shall be the sole and exclusive property of the TSLAC.

If, for any reason, the work would not be considered a work-for-hire under applicable law, Vendor does hereby sell, assign, and transfer to the TSLAC, its successors and assigns, the entire right, title and interest in and to the copyright of the work and any registrations and copyright applications relating thereto, and any renewals and extensions thereof, and in and to all works based upon, derived from, or incorporating the work, and in and to all income, royalties, damages, claims and payments now or hereafter due or payable with respect thereto, and in and to all causes of action, either in law or in equity for past, present, or future infringement based on the copyrights, and in and all to rights corresponding to the foregoing. Vendor agrees to execute all papers and to perform such other property rights as the TSLAC may deem necessary to secure for TSLAC or its designee the rights herein assigned.

Copyrightable material made by the Vendor for TSLAC shall be considered work-made-for-hire for TSLAC within the

meaning of the copyright laws. Vendor shall assign all rights, title and interest in such copyrightable materials to TSLAC. Should this work product prove to be patentable, Vendor will assign all patent rights to TSLAC upon request. TSLAC shall have the right, at its discretion, to keep such work product as a trade secret.

Vendor and Vendor's employees shall have no rights of ownership of the Work and any documentation or other products and results of the services or any other property of TSLAC. Any property or Work not specifically scheduled in this Contract as property of Vendor shall constitute property of TSLAC.

In addition to compliance with the right to examination provisions of the Contract, Vendor must deliver to TSLAC, no later than the forty-eight (48) hours after receipt of TSLAC's written request for same, all completed or partially completed Work and any and all documentation or other products and results of the Services under such Contract. Vendor's failure to timely deliver such Work or any documentation or other products and results of the Services will be considered a material breach of the Contract. With the prior written approval of TSLAC, this forty-eight (48) hour period may be extended for delivery of certain completed or partially completed Work or other such information, if such extension is in the best interest of the State of Texas or TSLAC. If Vendor fails to deliver such Work within forty-eight (48) hours after receipt of written request for same, TSLAC may withhold all payments to Vendor, may withhold all authorization for payment of previously approved and future invoices, may impose liquidated damages of \$1000 per each twenty-four (24) hour period of delay, or a pro rata amount for any portion of each such twenty-four (24) hour period. During the transition from any successor of the Vendor, TSLAC may impose liquidated damages of \$2000 rather than \$1000 per each twenty-four (24) hour period of delay, or a pro rata amount for any portion of each such twenty-four (24) hour period. These liquidated damages are in addition to other remedies and rights that are applicable or available to TSLAC for such failure or delay under this Contract.

43. **Acceptance of Products and Services.** All products furnished and all services performed under this agreement shall be to the satisfaction of TSLAC and in accordance with the specifications, terms, and conditions of this contract. 45. **Immigration.** Vendor represents and warrants that it will comply with the requirements of the Immigration Reform and Control Act of 1986, the Immigration Act of 1990 ("Immigration Act"), and the Illegal Reform and Immigrant Responsibility Act of 1996 ("IRIRA") regarding employment verification and retention of verification forms for any individuals hired who will perform any labor or services under this Contract. Vendor also represents and warrants that it shall comply with the requirements of the Immigration Act regarding creation of the lottery system for granting visas and IRIRA which created three (3) year, ten (10) year and permanent bars to entrance into the United States.
46. **Criminal Conviction Certification.** The Vendor represents and warrants that Vendor has not and Vendor's employees have not been convicted of a felony criminal offense, or that, if such a conviction has occurred, Vendor has fully advised TSLAC as to the facts and circumstances surrounding the conviction. Vendor has a continuing duty to amend, supplement or correct this representation and warranty not later than ten (10) days after discovering additional information relating to felony criminal convictions of Vendor or any of its employees. Vendor shall not allow any employee convicted of a felony criminal offense to perform tasks related to the contract without such disclosure and express permission from TSLAC.
47. **Subcontracting.** It is contemplated by the parties hereto that the Vendor shall conduct the performances provided by this contract substantially with its own resources and through the services of its own staff. In the event the Vendor should determine that it is necessary or expedient to subcontract for any of the performances specified herein, the Vendor shall subcontract for such performances only after the Vendor has transmitted to TSLAC a true copy of the subcontract the Vendor proposes to execute with a subcontractor and has obtained TSLAC's written approval for subcontracting the subject performance in advance of executing a subcontract. The Vendor, in subcontracting for any products or performances specified herein, expressly understands and acknowledges that in entering into such subcontracting(s), TSLAC is in no manner liable to any subcontractor(s) of the Vendor. In no event shall this provision relieve the Vendor of the responsibility for ensuring that the finished products and/or services rendered under all subcontracts are rendered so as to comply with all terms of this contract.
48. **Assignment.** The Vendor will not assign its rights under this contract or delegate the performance of its duties under this contract without prior written approval from TSLAC.

50. **Ethics.** Any individual who interacts with public purchasers in any capacity is required to adhere to the guidelines established in Chapter 2155.003 of the Texas Government Code. The Rule outlines the ethical standards required of public purchaser, employees, and vendors who interact with public purchasers in the conduct of state business. Specifically, a TSLAC employee may not have an interest in, or in any matter be connected with a contract or RFP for a purchase of goods or services by an agency of the state; or in any manner, including by rebate or gift, accept or receive from a person to whom a contract may be awarded, directly or indirectly, anything of value or a promise, obligation, or contract for future reward or compensation. Entities who are interested in seeking business opportunities with the state must be mindful of these restrictions when interacting with public purchasers of TSLAC or purchasers of other state agencies.
51. **Convictions in connection with Hurricane Katrina, Hurricane Rita, and subsequent disasters.** Per Senate Bill 608, 80th Legislative Session, TSLAC will not accept Responses, nor award contracts to persons convicted of violating a federal law in connection with a contract awarded by the federal government for relief, recovery, or reconstruction efforts as a result of Hurricane Katrina, Hurricane Rita, and subsequent disasters.

54. **Force Majeure.** Neither Vendor nor TSLAC shall be liable to the other for any delay in, or failure of performance, of any requirement included in any award resulting from a RFP caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome. Each party must inform the other in writing, with proof of receipt, within three (3) business days of the existence of such force majeure, or otherwise waive this right as a defense.
55. **Termination.** Vendor shall have the right to terminate contracts awarded from this Contract upon a material breach of its terms by TSLAC, which are not cured within thirty (30) days of written notice. If Vendor (a) terminates or suspends its business (b) becomes subject to any bankruptcy or insolvency proceeding under any Federal or State statute or (c) becomes or subject to direct control by a trustee, receiver, or similar authority, TSLAC may, in addition to its other legal rights and remedies, terminate this agreement on seven (7) days notice to Vendor. Upon such termination, Vendor will offer TSLAC a prorated refund or subscription fee.

In the event that the Contract is terminated for any reason, or upon its expiration, the TSLAC shall retain ownership of all associated work products and documentation obtained from the Vendor under the Contract.

56. **Termination for Convenience.** TSLAC reserves the right, in its sole discretion, to terminate the Contract on thirty (30) days written notice to the Vendor. TSLAC also reserves the right, in its sole discretion, to terminate the Contract immediately, with written notice to the Vendor, if it is in the best interests of TSLAC or the State.
57. **Termination Remedies.** Upon an Event of Default, TSLAC, without limiting any other rights or remedies it may have by law, equity, or under this Contract, will have the right to institute an action for actual damages and/or injunctive relief and/or to terminate the Contract immediately. TSLAC's termination of this Contract shall not limit or waive any remedies TSLAC may have for breach by Vendor of its past, present, or future duties and obligations created by this Contract or otherwise required by applicable law.

All remedies available to TSLAC for breach or anticipatory breach of this Contract by Vendor are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies. Liquidated damages, actual damages, cost projections, injunction relief and/or performance bonds may also be invoked either separately or combined with any other remedy in accordance with applicable law.

Survival of Terms.** Termination of this Contract for any reason shall not release the Vendor from any liability or obligation set forth in the Contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination, including the provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, and invoice and fees verification.

By example, and not as an exclusion to other breaches or failures, Vendor's failure to comply with this Section shall constitute a material breach of this Contract and shall authorize TSLAC to immediately assess liquidated damages as described in Section 29 of Appendix C for such failure. For purposes of this Section, the "State's property" includes, but is not limited to, "Work" as defined in the RFP. TSLAC may require, at Vendor's sole cost and expense, independent audits by a qualified certified public accounting firm of Vendor's books and records or the State's property. The independent auditing shall provide TSLAC with a copy of such audit at the same time it is provided to Vendor. TSLAC retains the right to issue the request for Statement of Qualifications for the services of an independent certified public accounting firm under this Contract. In addition to and without limitation on the other audit provisions of this Contract, pursuant to Section 2262.003 of the Texas Government Code, the state auditor may conduct an audit or investigation of Vendor or any other entity or person receiving funds from the state directly under this Contract or indirectly through a subcontract under this Contract. The acceptance of funds by Vendor or any other entity or person directly under this Contract or indirectly through a subcontract under this Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, Vendor or other entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Under procedures provided by the state auditor on September 5, 2003, in addition to the above, (1) Vendor understands that the acceptance of funds under this Contract acts as acceptance of the authority of the state auditor to conduct an audit or investigation in connection with those funds; (2) Vendor further agrees to cooperate fully with the state auditor in the conduct of the audit or investigation, including providing all records requested; (3) Vendor shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through Vendor and the requirement to cooperate is included in any subcontract it awards; and (4) the state auditor shall at any time have access to and the rights to examine, audit, excerpt, and transcribe any pertinent books, documents, working papers, and records of Vendor relating to this Contract

9. **Public Information Act.** Information, documentation, and other material in connection with this RFP or contract may be subject to public disclosure pursuant to Chapter 552.021 of the Texas Government Code (the "Public Information Act"). Any part of a submitted Response that is of a confidential or proprietary nature must be clearly and prominently marked on each page as such by the Vendor.
10. **Confidentiality and Open Records.** Vendor shall take all necessary and appropriate action to safeguard all sensitive data and other confidential information from unauthorized disclosure. Whenever the transmission of confidential information is necessary, Vendor shall transmit the information electronically, and such electronic transmission shall be secure and the data encrypted, at a minimum, using 128 AES encryption to protect it from unauthorized disclosure.

Notwithstanding any provisions of this Contract to the contrary, Vendor understands that TSLAC will comply with the Texas Public Information Act as interpreted by judicial opinions and opinions of the State's Attorney General. Within three (3) days of receipt, Vendor shall refer to TSLAC any third party requests received directly by Vendor for information to

which Vendor has access as a result of or in the course of performance under this Contract. Vendor is required to make any information created or exchanged with the state pursuant to this contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the State.

11. **Antitrust.** Vendor represents that neither the Vendor nor the company, corporation, partnership, or institution represented by the Vendor, or anyone acting for such firm, corporation, or institution has violated the antitrust laws of this State or the Federal Antitrust Laws, nor communicated directly or indirectly the proposal to any other person engaged in such line of business.
12. **No Conflicts.** Vendor represents and warrants that Vendor has no actual or potential conflicts of interest in providing services to TSLAC under this Contract and that Vendor's provision of services under this Contract would not reasonably create an appearance of impropriety. Without limitation on the foregoing, other disclosures required under this Contract, and other prohibited work provisions of this Contract, Vendor shall, throughout the term of this Contract, comply with and provide all of the following to TSLAC, upon request: a copy of Vendor's most recent audit, if any, together with a full disclosure of any and all internal control weaknesses, if any; disclosure and detailed description of Vendor's most recent peer review, if any, stating the date of the review and irregularities, if any, and concluding comments; disclosure and detailed description of any emerging irregularities, if any, that could materially affect TSLAC's interests; and disclosure and detailed description of how Vendor determines whether Vendor's outside auditors provide consulting or other services to Vendor or Vendor's clients or to TSLAC.
13. **Specifications.**
The State will not be bound by any oral statement or representation contrary to the written specifications.
14. **Delivery.**

 - b) No substitutions permitted without written approval of the TSLAC's Purchasing Dept.
 - c) If delay is foreseen, vendor shall give written notice to the TSLAC. Vendor must keep the TSLAC advised at all times of status of order. Default in promised delivery (without accepted reasons) or failure to meet specifications authorizes the TSLAC to purchase supplies elsewhere and charge full increase, if any, in cost and handling to defaulting vendor.
15. **Permits, Licenses.** Vendor represents and warrants that it has obtained all necessary permits, licenses, easements, waivers, and permissions of whatsoever kind required for its performance and the performance of its subcontractors under this Contract.
16. **Contract Fulfillment.** If federal or state laws or regulations or other federal or state requirements are amended and judicially interpreted so that either party cannot reasonably fulfill this contract, and if the parties cannot agree to an amendment that would enable substantial continuation of the contract, the parties shall be discharged from any further obligations under this contract.
17. **Control; Ownership; Legal Proceedings.** Vendor shall immediately notify TSLAC in writing of any actual or anticipated change in the control or ownership of Vendor and of any legal or administrative investigations or proceedings initiated against Vendor regardless of the jurisdiction from which such proceedings originate.
18. **Time Limits.** Time is of the essence in the performance of this Contract. Vendor shall strictly comply with all of the deadlines, requirements, and Standards of Performance for this Contract.
19. **Inspection and Tests.** All goods will be subject to inspection and test by the State. Authorized TSLAC personnel shall have access to supplier's place of business for the purpose of inspecting merchandise. Tests shall be performed on samples submitted with the Response or on samples taken from regular shipments. All costs shall be borne by the vendor in the event products tested fail to meet or exceed all conditions and requirements of the specification. Goods delivered and rejected in whole or in part may, at the State's option, be returned to the vendor or held for disposition at vendor's expense. Latent defects may result in revocation of award.
20. **Payment.** Payment shall be made in accordance with Texas Prompt Payment Act, Chapter 2251 of Texas Government Code. TSLAC shall not pay any amounts for any purpose to Vendor or any entity, except as expressly provided in the

Contract. TSLAC reserves the right to make payments only upon receipt of a correct invoice, including all of the required supporting documentation. TSLAC also reserves the right to refuse payments for invoices that exceed the rates specified in the Contract.

21. **Dispute Resolution.** Unless an applicable state statute or applicable federal law establishes another procedure for the resolution of disputes, the dispute resolution process provided for in Chapter 2260, Texas Government Code, shall be used, as further described herein, by TSLAC and the Vendor to attempt to resolve all disputes arising under this contract. Vendor claims for breach of this contract that the parties cannot resolve in the ordinary course of business shall be submitted to the negotiation process provided in Chapter 2260, subchapter B, of the Texas Government Code. To initiate the process, Vendor shall submit written notice, as required by subchapter B, to the Chief Financial Officer or the designate. Said notice shall specifically state that the provisions of Chapter 2260, subchapter B, are being invoked. A copy of the notice shall also be given to all other representatives of Vendor and the TSLAC otherwise entitled to notice under the parties' contract. Compliance by Vendor with subchapter B is a condition precedent to the filing of a contested case proceeding under Chapter 2260, subchapter C, of the Texas Government Code. The contested case process provided in Chapter 2260, subchapter C, of the Texas Government Code is Vendor's sole and exclusive process for seeking a remedy for any and all alleged breaches of contract by TSLAC if the parties are unable to resolve their disputes under this Section. Compliance with the contested case process provided in subchapter C is a condition precedent to seeking consent to sue from the Legislature under Chapter 107 of the Civil Practices and Remedies Code. Neither the execution of this contract by TSLAC nor any other conduct of any representative of TSLAC relating to this contract shall be considered a waiver of sovereign immunity to suit. The submission, processing and resolution of Vendor's claim is governed by the published rules adopted by the Office of the Attorney General pursuant to Chapter 2260, as currently effective, hereafter enacted or subsequently amended. These rules are found in the Texas Administrative Code. Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by the Vendor, in whole or in part.
22. **Gifts.** The Vendor has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted Response or contract.

This information must be provided prior to award.
25. **Eligibility.** Under Chapter 2155.004 of the Texas Government Code, the vendor certifies that the individual or business entity named in this Response or contract is not ineligible to receive the specified contract and acknowledges that this contract may be terminated and payment withheld if this certification is inaccurate. Vendor represents and warrants that it is not delinquent in the payment of any franchise taxes owed the State.
26. **Liability for Taxes.** Vendor represents and warrants that it shall pay all taxes or similar amounts resulting from this Contract, including, but not limited to, any federal, state, or local income, sales or excise taxes of Vendor or its employees. TSLAC shall not be liable for any such taxes resulting from this Contract.
27. **HUBs.** Vendor represents and warrants that it shall comply with the Historically Underutilized Business requirements of this Contract.

Vendor shall comply with rules adopted by TSLAC under Sections 403.055, 403.0551, 2252.903 of the Texas Government Code and other applicable laws and regulations regarding satisfaction of debts or delinquencies to the State..
29. **Executive Head of a State Agency.** Pursuant to §669.003, Government Code, the TSLAC may not enter into a contract with a person who employs a current or former Executive Head of a state agency until four years have passed since that person was the executive head of the state agency. By submitting a Proposal, the Respondent certifies that it does not employ any person who was the Executive Head of a state agency in the past four years.

authority of the State Auditors Office, or any successor agency, to conduct an audit or investigation in connection with those funds. Vendor further agrees to cooperate fully with the State Auditors Office or its successor in the conduct of the audit or investigation, including providing all records requested and under confidentiality and related to this Agreement. Vendor will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Vendor and the requirement to cooperate is included in any subcontract it awards.

31. **Patents and Copyrights.** The Vendor agrees to protect the State of Texas from claims involving infringement of patents or copyrights.
32. **Vendor Assignments.** Vendor hereby assigns an ordering agency any and all claims for overcharges associated with this contract arising under the antitrust laws of the United States 15 U.S.C.A Section 1, et seq (1973), and the antitrust laws of the State of Texas, TEX. Bus. & Comm. Code Ann. Sec. 15.01, et seq (1967).
33. **Default.** If the Vendor fails to provide the goods or services contracted for according to the provisions of the Contract, or fails to comply with any of the terms and conditions of the Contract, the TSLAC may, upon written notice of default to the Vendor, immediately terminate all or any part of the Contract. Termination is not an exclusive remedy, but will be in addition to any other rights and remedies provided in equity, by law or under the Contract.

The TSLAC may exercise any other right, remedy or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of the Contract, or to recover damages for the breach of any agreement being derived from the Contract. The exercise of any of the foregoing remedies will not constitute a termination of the Contract unless the TSLAC notifies the Vendor in writing prior to the exercise of such remedy. The Vendor shall remain liable for all covenants and indemnities under the Contract. The Respondent shall be liable for all costs and expenses, including court costs, incurred by the TSLAC with respect to the enforcement of any of the remedies listed herein.
34. **Cancellation.** The cancellation of the agreement, under any circumstances whatsoever, shall not effect or relieve Vendor from any obligation or liability that may have been incurred or will be incurred pursuant to this agreement, and such cancellation by TSLAC shall not limit any other right or remedy available to the TSLAC at law or in equity.
35. **Agreement Amendments.** No modification or amendment to the agreement shall become valid unless in writing and signed by both parties. All correspondence regarding modifications or amendments to the agreement must be forwarded to the TSLAC Purchasing Department for prior review and approval. Only the contract administrator within the Purchasing Department or his/her designee will be authorized to sign changes or amendments.
36. **Independent Vendor Status.** Vendor agrees that Vendor and Vendor's employees and agents have no employer-employee relationship with TSLAC. TSLAC shall not be responsible for the Federal Insurance Contribution Act (FICA) payments, federal or state unemployment taxes, income tax withholding, Workers Compensation insurance payments, or any other insurance payments, nor will TSLAC furnish any medical or retirement benefits, any paid vacation or sick leave.
37. **Publicity.** Vendor agrees that it shall not publicize this agreement or disclose, confirm or deny any details thereof to third parties or use any photographs or video recordings of TSLAC's name in connection with any sales promotion or publicity event without the prior express written approval of TSLAC.
38. **Severability.** If one or more provisions of this agreement, or the application of any provision to any party or circumstance is held invalid, unenforceable, or illegal in any respect, the remainder of the agreement and the application of the provision to other parties or circumstances shall remain valid and in full force and effect.
39. **No Waiver.** Nothing in this agreement shall be construed as a waiver of the state's sovereign immunity. This agreement shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas under this agreement or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. TSLAC does not waive any privileges, rights defenses, or immunities available to TSLAC by entering into this agreement or by its conduct prior to or subsequent to entering into this agreement.
40. **Property Rights.** For purposes of this contract, the term "work" is defined as all reports, work papers, work products, materials, approaches, designs, specifications, systems, documentation, methodologies, concepts, intellectual property or other property developed, produced or generated in connection with the services provided under the contract. The TSLAC and Vendor intend this contract to be a contract for services, and each considers the work and any and all documentation or other products and results of the services to be rendered by Vendor to be a work made for hire. By execution of a contract

for these services, Vendor acknowledges and agrees that the work (and all rights therein) belongs to and shall be the sole and exclusive property of the TSLAC.

If, for any reason, the work would not be considered a work-for-hire under applicable law, Vendor does hereby sell, assign, and transfer to the TSLAC, its successors and assigns, the entire right, title and interest in and to the copyright of the work and any registrations and copyright applications relating thereto, and any renewals and extensions thereof, and in and to all works based upon, derived from, or incorporating the work, and in and to all income, royalties, damages, claims and payments now or hereafter due or payable with respect thereto, and in and to all causes of action, either in law or in equity for past, present, or future infringement based on the copyrights, and in and all to rights corresponding to the foregoing. Vendor agrees to execute all papers and to perform such other property rights as the TSLAC may deem necessary to secure for TSLAC or its designee the rights herein assigned.

Copyrightable material made by the Vendor for TSLAC shall be considered work-made-for-hire for TSLAC within the meaning of the copyright laws. Vendor shall assign all rights, title and interest in such copyrightable materials to TSLAC. Should this work product prove to be patentable, Vendor will assign all patent rights to TSLAC upon request. TSLAC shall have the right, at its discretion, to keep such work product as a trade secret.

Vendor and Vendor's employees shall have no rights of ownership of the Work and any documentation or other products and results of the services or any other property of TSLAC. Any property or Work not specifically scheduled in this Contract as property of Vendor shall constitute property of TSLAC.

In addition to compliance with the right to examination provisions of the Contract, Vendor must deliver to TSLAC, no later than the forty-eight (48) hours after receipt of TSLAC's written request for same, all completed or partially completed Work and any and all documentation or other products and results of the Services under such Contract. Vendor's failure to timely deliver such Work or any documentation or other products and results of the Services will be considered a material breach of the Contract. With the prior written approval of TSLAC, this forty-eight (48) hour period may be extended for delivery of certain completed or partially completed Work or other such information, if such extension is in the best interest of the State of Texas or TSLAC. If Vendor fails to deliver such Work within forty-eight (48) hours after receipt of written request for same, TSLAC may withhold all payments to Vendor, may withhold all authorization for payment of previously approved and future invoices, may impose liquidated damages of \$1000 per each twenty-four (24) hour period of delay, or a pro rata amount for any portion of each such twenty-four (24) hour period. During the transition from any successor of the Vendor, TSLAC may impose liquidated damages of \$2000 rather than \$1000 per each twenty-four (24) hour period of delay, or a pro rata amount for any portion of each such twenty-four (24) hour period. These liquidated damages are in addition to other remedies and rights that are applicable or available to TSLAC for such failure or delay under this Contract.

41. **Acceptance of Products and Services.** All products furnished and all services performed under this agreement shall be in accordance with the specifications, terms, and conditions of this contract. TSLAC reserves the right to inspect the products furnished or the services performed, and to determine the quality, acceptability, and fitness of such products or services.

43. **Immigration.** Vendor represents and warrants that it will comply with the requirements of the Immigration Reform and Control Act of 1986, the Immigration Act of 1990 ("Immigration Act"), and the Illegal Reform and Immigrant Responsibility Act of 1996 ("IRIRA") regarding employment verification and retention of verification forms for any individuals hired who will perform any labor or services under this Contract. Vendor also represents and warrants that it shall comply with the requirements of the Immigration Act regarding creation of the lottery system for granting visas and IRIRA which created three (3) year, ten (10) year and permanent bars to entrance into the United States.
44. **Criminal Conviction Certification.** The Vendor represents and warrants that Vendor has not and Vendor's employees have not been convicted of a felony criminal offense, or that, if such a conviction has occurred, Vendor has fully advised TSLAC as to the facts and circumstances surrounding the conviction. Vendor has a continuing duty to amend, supplement or correct this representation and warranty not later than ten (10) days after discovering additional information relating to felony criminal convictions of Vendor or any of its employees. Vendor shall not allow any employee convicted of a felony criminal offense to perform tasks related to the contract without such disclosure and express permission from TSLAC.
45. **Subcontracting.** It is contemplated by the parties hereto that the Vendor shall conduct the performances provided by this contract substantially with its own resources and through the services of its own staff. In the event the Vendor should determine that it is necessary or expedient to subcontract for any of the performances specified herein, the Vendor shall

subcontract for such performances only after the Vendor has transmitted to TSLAC a true copy of the subcontract the Vendor proposes to execute with a subcontractor and has obtained TSLAC's written approval for subcontracting the subject performance in advance of executing a subcontract. The Vendor, in subcontracting for any products or performances specified herein, expressly understands and acknowledges that in entering into such subcontracting(s), TSLAC is in no manner liable to any subcontractor(s) of the Vendor. In no event shall this provision relieve the Vendor of the responsibility for ensuring that the finished products and/or services rendered under all subcontracts are rendered so as to comply with all terms of this contract.

46. **Assignment.** The Vendor will not assign its rights under this contract or delegate the performance of its duties under this contract without prior written approval from TSLAC.
47. **Accessibility.** TSLAC is required to follow Texas Administrative Code, Title 1, Part 10, Chapter 206, Accessibility and Usability of State Web Sites, Texas Administrative Code, Title 1, Part 10, Chapter 213, and the Federal Section 508, Accessibility Standards.
48. **Ethics.** Any individual who interacts with public purchasers in any capacity is required to adhere to the guidelines established in Chapter 2155.003 of the Texas Government Code. The Rule outlines the ethical standards required of public purchaser, employees, and vendors who interact with public purchasers in the conduct of state business. Specifically, a TSLAC employee may not have an interest in, or in any matter be connected with a contract or RFP for a purchase of goods or services by an agency of the state; or in any manner, including by rebate or gift, accept or receive from a person to whom a contract may be awarded, directly or indirectly, anything of value or a promise, obligation, or contract for future reward or compensation. Entities who are interested in seeking business opportunities with the state must be mindful of these restrictions when interacting with public purchasers of TSLAC or purchasers of other state agencies.
49. **Convictions in connection with Hurricane Katrina, Hurricane Rita, and subsequent disasters.** Per Senate Bill 608, 80th Legislative Session, TSLAC will not accept Responses, nor award contracts to persons convicted of violating a federal law in connection with a contract awarded by the federal government for relief, recovery, or reconstruction efforts as a result of Hurricane Katrina, Hurricane Rita, and subsequent disasters.

51. **Drug Free Workplace.** The contractor shall comply with the applicable provisions of the Drug-Free Work Place Act of 1988 (Public Law 100-690, Title V, Subtitle D; 41 U.S.C 701 ET SEQ.) and maintain a drug-free work environment; and the final rule, government-wide requirements for drug-free work place (grants), issued by the Office of Management and Budget and the Department of Defense (32 CFR Part 280, Subpart F) to implement the provisions of the Drug-Free Work Place Act of 1988 is incorporated by reference and the contractor shall comply with the relevant provisions thereof, including any amendments to the final rule that may hereafter be issued.
52. **Force Majeure.** Neither Vendor nor TSLAC shall be liable to the other for any delay in, or failure of performance, of any requirement included in any award resulting from a RFP caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome. Each party must inform the other in writing, with proof of receipt, within three (3) business days of the existence of such force majeure, or otherwise waive this right as a defense.
53. **Termination.** Vendor shall have the right to terminate contracts awarded from this Contract upon a material breach of its terms by TSLAC, which are not cured within thirty (30) days of written notice. If Vendor (a) terminates or suspends its business (b) becomes subject to any bankruptcy or insolvency proceeding under any Federal or State statute or (c) becomes or subject to direct control by a trustee, receiver, or similar authority, TSLAC may, in addition to its other legal rights and remedies, terminate this agreement on 15 days notice to Vendor. Upon such termination, Vendor will offer TSLAC a prorated refund or subscription fee.

In the event that the Contract is terminated for any reason, or upon its expiration, the TSLAC shall retain ownership of all associated work products and documentation obtained from the Vendor under the Contract.

54. **Termination for Convenience.** TSLAC reserves the right, in its sole discretion, to terminate the Contract on thirty (30)

days written notice to the Vendor.

- 55. Termination Remedies.** Upon an Event of Default, TSLAC, without limiting any other rights or remedies it may have by law, equity, or under this Contract, will have the right to institute an action for actual damages and/or injunctive relief and/or to terminate the Contract immediately. TSLAC's termination of this Contract shall not limit or waive any remedies TSLAC may have for breach by Vendor of its past, present, or future duties and obligations created by this Contract or otherwise required by applicable law.

All remedies available to TSLAC for breach or anticipatory breach of this Contract by Vendor are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies. Liquidated damages, actual damages, cost projections, injunction relief and/or performance bonds may also be invoked either separately or combined with any other remedy in accordance with applicable law.

- 56. Survival of Terms.** Termination of this Contract for any reason shall not release the Vendor from any liability or obligation set forth in the Contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination, including the provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, and invoice and fees verification.

- 57. Supporting Documents; Right to Audit; Independent Audits.** Vendor shall maintain all such documents and other records relating to this Contract, and the State's property not otherwise confidential, for a period of four (4) years after the date of submission of the final invoices or until a resolution of all billing questions, whichever is later. By example, and not as an exclusion to other breaches or failures, Vendor's failure to comply with this Section shall constitute a material breach of this Contract and shall authorize TSLAC to immediately assess liquidated damages as described in Section 29 of Appendix C for such failure. For purposes of this Section, the "State's property" includes, but is not limited to, "Work" as defined in the RFP. TSLAC may require, at Vendor's sole cost and expense, independent audits by a qualified certified public accounting firm of Vendor's books and records or the State's property. The independent auditing shall provide TSLAC with a copy of such audit at the same time it is provided to Vendor. TSLAC retains the right to issue the request for Statement of Qualifications for the services of an independent certified public accounting firm under this Contract. In addition to and without limitation on the other audit provisions of this Contract, pursuant to Section 2262.003 of the Texas Government Code, the state auditor may conduct an audit or investigation of Vendor or any other entity or person receiving funds from the state directly under this Contract or indirectly through a subcontract under this Contract. The acceptance of funds by Vendor or any other entity or person directly under this Contract or indirectly through a subcontract under this Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, Vendor or other entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. This Contract may be amended unilaterally by TSLAC to comply with any rules and procedures of the state auditor in the implementation and enforcement of Section 2262.003. Under procedures provided by the state auditor on September 5, 2003, in addition to the above, (1) Vendor understands that the acceptance of funds under this Contract acts as acceptance of the authority of the state auditor to conduct an audit or investigation in connection with those funds; (2) Vendor further agrees to cooperate fully with the state auditor in the conduct of the audit or investigation, including providing all records requested; (3) Vendor shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through Vendor and the requirement to cooperate is included in any subcontract it awards; and (4) the state auditor shall at any time have access to and the rights to examine, audit, excerpt, and transcribe any pertinent books, documents, working papers, and records of Vendor relating to this Contract

- 58. Limitation on Authority; No Other Obligations.** Vendor shall have no authority to act for or on behalf of TSLAC or the State of Texas except as expressly provided for in the Contract; no other authority, power or use is granted or implied. - 61. Applicable Law & Conforming Amendments.** Vendor must comply with all laws, regulations, requirements and guidelines applicable to a Vendor providing services to the State of Texas as these laws, regulations, requirements and guidelines currently exist and as they are amended throughout the term of this Contract. TSLAC reserves the right, in its sole discretion, to unilaterally amend this Contract throughout its term to incorporate any modifications necessary for TSLAC or Vendor's compliance with all applicable State and federal laws, and regulations.

This Contract may be amended only upon written agreement between TSLAC and Vendor; however, this Contract may not be amended so as to make it conflict with the laws of the State. TSLAC may issue Purchase Order Change Notices for ordering and tracking purposes consistent with this Contract provided such Purchase Order Change Notices reference the Contract.

- 62. No Liability Upon Termination.** If this Contract is terminated for any reason, TSLAC and the State of Texas shall not be liable to Vendor for any damages, claims, losses, or any other amounts arising from or related to any such termination. However, Vendor may be entitled to the remedies provided in Government Code, Chapter 2260. Vendor or Vendor's employees, representatives, agents and any subcontractors shall serve as an independent contractor in providing services under any Contract resulting from this RFP. Vendor or Vendor's employees, representatives, agents and any subcontractors shall not be employees of TSLAC. Should Vendor subcontract any of the services required in this RFP, Vendor expressly understands and acknowledges that in entering into such subcontract(s), TSLAC is in no manner liable to any subcontractor(s) of Vendor. In no event shall this provision relieve Vendor of the responsibility for ensuring that the services rendered under all subcontracts are rendered in compliance with this RFP.

- 63. Independent Vendor.** Vendor or Vendor's employees, representatives, agents, and any subcontractors shall serve as an independent contracting in providing services under any PO. Vendor or Vendor's employees, representatives, agents and any subcontractors shall not be employees of the TSLAC. Should Vendor subcontract any of the services required, Vendor expressly understands and acknowledges that in entering into such subcontract(s), the TSLAC is in no manner liable to any subcontractor(s) of Vendor. In no event shall this provision relieve the Vendor of the responsibility for ensuring that the services rendered under all subcontracts are rendered in compliance with the specifications.

- 64. Electronic and Information Resources Accessibility Standards.** As Required by 1 Texas Administrative Code Chapter 213 (Applicable to State Agency and Institution of Higher Education Purchases Only) 1) Effective September 1, 2006 state agencies and institutions of higher education shall procure products which comply with the State of Texas Accessibility requirements for Electronic and Information Resources specified in 1 Texas Administrative Code Chapter 213 when such products are available in the commercial marketplace or when such products are developed in response to a procurement solicitation. 2) Vendor shall provide TSLAC with the URL to its Voluntary Product Accessibility Template (VPAT) for reviewing compliance with the State of Texas Accessibility requirements (based on the federal standards established under Section 508 of the Rehabilitation Act), or indicate that the product/service accessibility information is available from the General Services Administration "Buy Accessible Wizard" (<http://www.buyaccessible.gov>). Vendors not listed with the "Buy Accessible Wizard" or supplying a URL to their VPAT must provide TSLAC with a report that addresses the same accessibility criteria in substantively the same format. Additional information regarding the "Buy Accessible Wizard" or obtaining a copy of the VPAT is located at <http://www.section508.gov/>.

Vendor further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested that are related to this agreement and not otherwise confidential.
- H. The Vendor agrees to maintain all financial and programmatic records, supporting documents, statistical records, and other records relating to this grant award for three years after the last State Program Report for the Texas LSTA 5-Year Plan 2013-2017, is submitted on December 31, 2018. - I. The Vendor agrees to develop or revise, as necessary, any specific written documentation of its current procedures for (1) collecting and reporting performance measures; (2) conducting a fixed asset inventory; and or, (3) any other issues identified in Vendor's internal audit report or grant activities. Drafts of this procedural documentation will be submitted to TSLAC by dates established mutually between TSLAC and Vendor. TSLAC will provide review and guidance to enable final versions to be approved on or before established deadlines.
- J. Vendor may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under a Federal award.  - 1. Temporarily withhold cash payments pending correction of the deficiency by the Vendor, or more severe enforcement action by TSLAC;
 - 2. Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance;

Appendix B
Texas State Library and Archives Commission
Library Services and Technology Act (LSTA) - Terms and Conditions

3. Wholly or partly suspend or terminate the current contract for the Vendor's program;
 4. Withhold further awards for the program; or
 5. Take other remedies that may be legally available.
- B. Hearings, appeals. In taking an enforcement action, TSLAC will provide the Vendor an opportunity for such hearing, appeal, or other administrative proceeding to which the Vendor is entitled under any statute or regulation applicable to the action involved.
- C. Effects of suspension and termination. Costs of Vendor resulting from obligations incurred by the Vendor during a suspension or after termination of an award are not allowable unless TSLAC expressly authorized in the notice of suspension or termination, or subsequently. Other Vendor costs during suspension or after termination that are necessary, and not reasonably avoidable, are allowable if:
1. The costs resulting from obligations that were properly incurred by the Vendor before the effective date of suspension or termination are not in anticipation of it and, in the case of a termination, are non-cancelable; and,
 2. The costs would be allowable if the award were not suspended, or expired normally at the end of the funding period in which the termination takes effect.
- D. Relationship to Debarment and Suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude Vendor from being subject to "Debarment and Suspension" under Executive Order 12549 (see UGMS Part III, Subpart C, Sec 35) and state law.

Texas State Library and Archives Commission
Terms and Conditions

All of the following terms and conditions are hereby made part of this bid and any contract with the Texas State Library and Archives Commission (TSLAC) by reference. Submitting a bid or signing a contract with a false statement is a material breach of contract and shall void the submitted bid or any resulting contracts, and the Vendor shall be removed from all bid lists.

Contracts awarded by TSLAC shall be governed by and construed in accordance with the laws of the State of Texas. The federal or state courts of the United State located in Texas shall have jurisdiction to hear any dispute under potential contracts and serviced may be made upon TSLAC by first class mail to its address as set forth herein.

1. **Sales and Use Tax.** The TSLAC, as an agency of the State of Texas, qualifies for exemption from State and Local Sales and Use Taxes pursuant to the provisions of the Texas Limited Sales, Excise, and Use Tax Act. The Vendor may be able to claim exemption from payment of applicable State taxes by complying with such procedures as may be prescribed by the State Comptroller of Public Accounts. Excise Tax Exemption Certificates are available upon request.
2. **Observance of TSLAC Rules and Regulations.** Vendor agrees that at all times its employees will observe and comply with all regulations when accessing the TSLAC facilities, including, but not limited to, parking and security regulations.
3. **Non-Appropriation of Funds.** The State funds are contingent on the availability of lawful appropriates by the Texas Legislature. If the Texas Legislature fails to continue funding for the payments due under an order referencing this contract; the order will terminate as of the date that the funding expires, and the State will have no further obligation to make any payments. Vendor agrees that in the event of such termination, the TSLAC will not be considered to be in default or breach under the Contract, nor shall it be liable for any further payments ordinarily due under the Contract, nor shall it be liable for any damages or any other amounts which are caused by or associated with such termination.
4. **Public Information Act.** Information, documentation, and other material in connection with this bid or contract may be subject to public disclosure pursuant to Chapter 552.021 of the Texas Government Code (the "Public Information Act"). Any part of a submitted bid that is of a confidential or proprietary nature must be clearly and prominently marked on each page as such by the Vendor. Vendor is required to make any information created or exchanged with the state pursuant to this contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the State.
5. **Antitrust.** Vendor represents that neither the Vendor nor the company, corporation, partnership, or institution represented by the Vendor, or anyone acting for such firm, corporation, or institution has violated the antitrust laws of this State or the Federal Antitrust Laws, nor communicated directly or indirectly the proposal to any other person engaged in such line of business.
6. **Specifications.**
 - Unless otherwise specified, items shall be new and unused and of current production.
 - All electrical items must meet all applicable OSHA standards and regulations, and bear the appropriate listing from UL, FMRC or NEMA.
 - The State will not be bound by any oral statement or representation contrary to the written specifications.
 - Manufacturer's standard warranty shall apply unless otherwise stated.
 - Catalogs, brand names or manufacturer's references are descriptive only, and indicate type and quality desired. Bids on brands of like nature and quality will be considered unless advertised under Chapter 2155.067 of the Texas Government Code. If bidding on other than references, bid should show manufacturer, brand, or trade name, and other description of product offered. If other than brand(s) specified is offered, illustrations and complete description of product offered are requested to be made part of the bid. Failure to take exception to specifications or reference data will require Vendor to furnish specified brand names, numbers, etc.
 - Samples, when requested, must be furnished free of expense to the State. If not destroyed in examination, they will be returned to the Vendor, on request, at Vendor's expense. Each sample should be marked with Vendor's name and address, and requisition number. Do not enclose in or attach bid to a sample.
7. **Delivery.**
 - Delivery shall be made during normal working hours (8am-5pm, CST), unless prior approval has been obtained from the TSLAC.
 - No substitutions permitted without written approval of the TSLAC's Purchasing Dept.
 - If delay is foreseen, vendor shall give written notice to the TSLAC. Vendor must keep the TSLAC advised at all times of status of order. Default in promised delivery (without accepted reasons) or failure to meet specifications authorizes the TSLAC to purchase supplies elsewhere..
8. **Contract Fulfillment.** If federal or state laws or regulations or other federal or state requirements are amended and

Appendix A
Texas State Library and Archives Commission
Terms and Conditions

judicially interpreted so that either party cannot reasonably fulfill this contract, and if the parties cannot agree to an amendment that would enable substantial continuation of the contract, the parties shall be discharged from any further obligations under this contract.

9. **Inspection and Tests.** All goods will be subject to inspection and test by the State. Authorized TSLAC personnel shall have access to supplier's place of business for the purpose of inspecting merchandise. Tests shall be performed on samples submitted with the bid or on samples taken from regular shipments. All costs shall be borne by the vendor in the event products tested fail to meet or exceed all conditions and requirements of the specification. Goods delivered and rejected in whole or in part may, at the State's option, be returned to the vendor or held for disposition at vendor's expense. Latent defects may result in revocation of award.
10. **Payment.** The State will incur no penalty for late payment if payment is made in 30 or fewer days from receipt of goods or services and an uncontested invoice. Any payments later than 30 days from uncontested invoice will start to accrue interest.
11. **Dispute Resolution.** Unless an applicable state statute or applicable federal law establishes another procedure for the resolution of disputes, the dispute resolution process provided for in Chapter 2260, Texas Government Code, shall be used, as further described herein, by TSLAC and the Vendor to attempt to resolve all disputes arising under this contract. Vendor claims for breach of this contract that the parties cannot resolve in the ordinary course of business shall be submitted to the negotiation process provided in Chapter 2260, subchapter B, of the Texas Government Code. To initiate the process, Vendor shall submit written notice, as required by subchapter B, to the Chief Financial Officer or the designate. Said notice shall specifically state that the provisions of Chapter 2260, subchapter B, are being invoked. A copy of the notice shall also be given to all other representatives of Vendor and the TSLAC otherwise entitled to notice under the parties' contract. Compliance by Vendor with subchapter B is a condition precedent to the filing of a contested case proceeding under Chapter 2260, subchapter C, of the Texas Government Code. The contested case process provided in Chapter 2260, subchapter C, of the Texas Government Code is Vendor's sole and exclusive process for seeking a remedy for any and all alleged breaches of contract by TSLAC if the parties are unable to resolve their disputes under this Section. Compliance with the contested case process provided in subchapter C is a condition precedent to seeking consent to sue from the Legislature under Chapter 107 of the Civil Practices and Remedies Code. Neither the execution of this contract by TSLAC nor any other conduct of any representative of TSLAC relating to this contract shall be considered a waiver of sovereign immunity to suit. The submission, processing and resolution of Vendor's claim is governed by the published rules adopted by the Office of the Attorney General pursuant to Chapter 2260, as currently effective, hereafter enacted or subsequently amended. These rules are found in the Texas Administrative Code. Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by the Vendor, in whole or in part.
12. **Gifts.** The Vendor has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted bid or contract.
13. **Compensation.** Pursuant to Chapter 2155.004 of the Texas Government Code, the Vendor has not received compensation for participation in the preparation of the specifications for this bid or contract.
14. **Certification Regarding Non-Payment of Child Support.** Pursuant to Section 231.006 (d), Family Code, re: child support, the Vendor certifies that the individual or business entity named in this bid is not ineligible to receive the specified payment and acknowledges that this contract may be terminated and payment may be withheld if this certification is inaccurate.
15. **Ineligibility.** Under Chapter 2155.004 of the Texas Government Code, the vendor certifies that the individual or business entity named in this bid or contract is not ineligible to receive the specified contract and acknowledges that this contract may be terminated and payment withheld if this certification is inaccurate.

OCLC warrants that it has the rights necessary to authorize Partner Institution's use of the Services, trademarks and content made available to Partner Institution by OCLC under this Agreement, and that use in accordance with this Agreement will not infringe upon the rights of any third-party. OCLC agrees to indemnify Partner Institution against all claims, liabilities, damages, losses, costs and expenses (including reasonable attorneys' fees) resulting or arising from OCLC's breach of this warranty; provided and upon the conditions that Partner Institution (i) promptly delivers to OCLC written notice of any such suit or claim; and (ii) gives OCLC all information and assistance reasonably requested, together with primary authority to investigate, settle and defend such suit or claim. In any such action, the Texas Attorney General's Office will represent the Partner Institution at its own expense. To participate in such defense does not diminish OCLC's primary authority to conduct such defense.

C. Except as expressly granted by this Agreement, OCLC and/or its suppliers retain all rights, title and interest in and to the tools, services, trademarks and content made available to OCLC to Partner Institution for purposes of establishing Partner Institution's use of the Services. Partner Institution may not use such tools, services, trademarks and content for any purpose other than that authorized by this Agreement unless authorized in a separate agreement with OCLC. Transfer (by resale or otherwise), distribution, display or use of any such tools, services, trademarks and content (or any rights therein) to or by third-parties is prohibited except to the extent incidental to the activities authorized by this Agreement or as otherwise expressly agreed in writing by OCLC and Partner Institution.
