- 13. No Implied Waiver.** The failure of a party to insist at any time upon the strict performance of any covenant or agreement or to exercise any option, right, power, or remedy contained in the contract shall not be construed as a waiver or a relinquishment thereof for the future.

ARTICLE 2. TERMINATION, REMEDIES, AND DISPUTES

- 14. Termination by Mutual Agreement.** The contract may be terminated by mutual agreement before the expiration date if both parties consent to the termination in writing.
- 15. Termination for Cause; Default.** If Respondent terminates or suspends its business, becomes subject to any bankruptcy or insolvency proceeding under any Federal or State statute, or becomes subject to direct control by a trustee, receiver, or similar authority, TSLAC may, in addition to its other legal rights and remedies, terminate this agreement on seven calendar days' notice to Respondent. Upon such termination, Respondent will offer TSLAC a prorated refund or subscription fee.

If Respondent fails to provide the goods or services contracted for according to the provisions of the contract or fails to comply with any of the terms and conditions of the contract, TSLAC may, upon written notice, immediately terminate all or any part of this contract. Termination is not an exclusive remedy but will be in addition to any other rights and remedies provided in equity, by law or under the contract.

If the contract is terminated for any reason, or upon its expiration, the TSLAC shall retain ownership of all associated work products and documentation obtained from the Respondent under the contract.

The TSLAC may exercise any other right, remedy or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of the contract, or to recover damages for the breach of any agreement being derived from the contract. The exercise of any of the foregoing remedies will not constitute a termination of the contract unless the TSLAC notifies the Respondent in writing prior to the exercise of such remedy. The Respondent shall remain liable for all covenants and indemnities under the contract. The Respondent shall be liable for all costs and expenses, including court costs, incurred by the TSLAC with respect to the enforcement of any of the remedies listed herein.

- 16. Termination for Convenience.** TSLAC reserves the right to terminate the contract at any time, in whole or in part, without cost or penalty, by providing 30 calendar days' advance written notice of such termination to Respondent, if TSLAC determines that such termination is in the best interests of the state. TSLAC shall be liable for payments limited only to the portion of work TSLAC authorized in writing and which Respondent has completed, delivered to TSLAC, and which has been accepted by TSLAC. All such work shall have been completed, in accordance with contract requirements, prior to the effective date of termination. TSLAC shall have no other liability, including no liability for any costs associated with termination.

TSLAC's termination of this contract shall not limit or waive any remedies TSLAC may have for breach by Respondent of its past, present, or future duties and obligations created by this contract or otherwise required by applicable law.

All remedies available to TSLAC for breach or anticipatory breach of this contract by Respondent are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies. Liquidated damages, actual damages, cost projections, injunctive relief and/or performance bonds may also be invoked either separately or combined with any other remedy in accordance with applicable law.

- 18. No Liability Upon Termination.** If this contract is terminated for any reason, TSLAC and the State of Texas shall not be liable to Respondent for any damages, claims, losses, or any other amounts arising from or related to any such termination. However, Respondent may be entitled to the remedies provided in Texas Government Code, Chapter 2260.

General Terms & Conditions

- 19. Survival of Terms.** Termination of this contract for any reason shall not release the Respondent from any liability or obligation set forth in the contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination, including the provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, and invoice and fees verification.
- 20. Dispute Resolution.** Unless an applicable state statute or applicable federal law requires another procedure for the resolution of disputes, the dispute resolution process provided for in Texas Government Code, Chapter 2260, must be used to attempt to resolve any dispute arising under the contract. If the Respondent's claim for breach of contract cannot be resolved informally with the agency, the claim shall be submitted to the negotiation process provided in Chapter 2260. To initiate the process, Respondent shall submit written notice, as required by Chapter 2260, to the Chief Operations and Fiscal Officer or designee. The notice shall specifically state that the provisions of the Texas Government Code, Chapter 2260 are being invoked. Respondent shall provide a copy of the notice to all other representatives of Respondent and TSLAC individual(s) designated in the contract for receipt of notices. Compliance with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260. The contested case process provided in Chapter 2260 is Respondent's sole and exclusive process for seeking a remedy for any and all alleged breaches of contract by TSLAC if the parties are unable to resolve their disputes as described above. Notwithstanding any other provision of the contract to the contrary, unless otherwise requested or approved in writing by the agency, the Respondent shall continue performance and shall not be excused from performance during the period any breach of contract claim or while the dispute is pending. However, the Respondent may suspend performance during the pendency of such claim or dispute if the Respondent has complied with all provisions of Texas Government Code, §2251.051, and such suspension of performance is expressly applicable and authorized under that law.

In accordance with the Texas Civil Practice and Remedies Code, Section 114.005, the parties agree claims encompassed by Texas Government Code, §2260.002(3) and Texas Civil Practice and Remedies Code, §114.002 shall be governed by the dispute resolution process set forth below in subsections (a)-(d).
- a. Notwithstanding Texas Government Code, Chapter 2260.002(3) and Chapter 114.012 and any other statute or applicable law, if the Respondent's claim for breach of contract cannot be resolved by the parties in the ordinary course of business, Respondent may make a claim against TSLAC for breach of contract and the agency may assert a counterclaim against the Respondent as is contemplated by Texas Government Code, Chapter 2260, Subchapter B. In such event, Respondent must provide written notice to TSLAC of a claim for breach of the contract not later than the 180th day after the date of the event giving rise to the claim. The notice must state with particularity: (1) the nature of the alleged breach; (2) the amount the Respondent seeks as damages; and (3) the legal theory of recovery.
 - b. The negotiation must begin no later than the 120th day after the date the claim is received, as is contemplated by Texas Government Code, Chapter 2260, §2260.052.
 - c. If the negotiation under paragraph (b) above results in the resolution of some disputed issues by agreement or in a settlement, the parties shall reduce the agreement or settlement to writing and each party shall sign the agreement or settlement. A partial settlement or resolution of a claim does not waive a party's rights under this contract as to the parts of the claim that are not resolved.
 - d. If a claim is not entirely resolved under paragraph (b) above, on or before the 270th day after the date the claim is filed with the agency, unless the parties agree in writing to an extension of time, the parties may agree to mediate a claim made under this dispute resolution procedure. This dispute resolution procedure is the Respondent's sole and exclusive process for seeking a remedy for an alleged breach of contract by the agency if the parties are unable to resolve their disputes as described in this section.
 - e. Nothing in the contract shall be construed as a waiver of the state's or the agency's sovereign immunity. This contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas under this contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies or immunities or be considered as a basis for estoppel. TSLAC does

The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas under this agreement or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. TSLAC does not waive any privileges, rights defenses, or immunities available to TSLAC by entering into this agreement or by its conduct prior to or subsequent to entering into this agreement.
- 23. **No Other Benefits.** Respondent shall have no exclusive rights or benefits other than those set forth herein.
- 24. **Force Majeure.** Neither Respondent nor TSLAC shall be liable to the other for any delay in, or failure of performance, of any requirement included in the contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.
- 25. **Contract Fulfillment.** If federal or state laws or regulations or other federal or state requirements are amended and judicially interpreted so that either party cannot reasonably fulfill this contract, and if the parties cannot agree to an amendment that would enable substantial continuation of the contract, the parties shall be discharged from any further obligations under this contract.
- 26. **Transition.** Upon termination of the contract for any reason, Respondent shall, in good faith and with reasonable cooperation, aid in the transition to any new agreement and provider. In accordance with this contract, Respondent shall deliver to TSLAC all completed, or partially completed work and any and all documentation or other products and results of these services.
