

Texas Archives Month

October 2013

Diaries, letters, photographs, maps, newspapers, yearbooks, directories, and official records of birth, marriage, military service, land ownership, legal proceedings, death and taxes—these are just a sampling of the historical resources that can help fill in the branches on your family tree.

Archival repositories across Texas are working to collect, preserve and provide access to records that document the history of the Lone Star state and the people who have called it home. Visit an archives today, whether in person or online, and search for your roots...

Deep in the Heart of Texas!

Sponsored by the Texas State Library and Archives Commission and the Texas Historical Records Advisory Board. Funding provided by the National Historical Publications and Records Commission. Photographs and drawings courtesy: Texas State Library and Archives Commission
