POSSUM KINGDOM REGULATIONS

No fishing permitted within one-fourth mile of Possum Kingdom dam in the lake proper. Fishing gear permitted: ordinary pole and line, throw line with not more than three hooks, rod and reel and ordinary baits and lures. Persons fishing for carp, buffalo, suckers and gar may use wire loop snags also. Only one, of either a trotline or a throw line, permitted. It may not have more than 20 hooks, spaced not less than 2 feet apart. Seines or net for taking fish or minnows prohibited. Unlawful to sell or buy any fish taken from Possum Kingdom Lake. Special license, price \$1.10, required of all persons over 17 who fish in lake. Those fishing with artificial lures also must have an artificial lure license, price \$1.10.
