**How Did Texas Grow One City at a Time?**

**Case Study: San Antonio**

**Grade 7, Texas History**

**Step 1 – Ask**

**Objectives:**
Students will analyze the impact of geographic, political, social and economic factors that contributed to the growth of San Antonio, Texas.

**Introduction:**

![Image](San-Antonio-1873-Texas-State-Archives-Map-Number-6368.jpg)

**Ask:**
- What do you notice about the city of San Antonio in 1873?
- Now compare the map of 1873 with the map of San Antonio after 1930: [http://www.tsl.state.tx.us/cgi-bin/aris/maps/maplookup.php?mapnum=1052a](http://www.tsl.state.tx.us/cgi-bin/aris/maps/maplookup.php?mapnum=1052a) What happened to the city in those 47 years?
- What is the cause of this growth?

**Vocabulary:**
- **urbanization** – growth of cities
- **rural** – in the country (outside of the city)
- **urban** – in the city

**TEKS:**
(7.8 B) analyze and interpret geographic distributions and patterns in Texas during the 19th, 20th, and 21st centuries.
(7.9 A) locate the Mountains and Basins, Great Plains, North Central Plains, and Coastal Plains regions and places of importance in Texas during the 19th, 20th, and 21st centuries such as major cities, rivers, natural and historic landmarks, political and cultural regions, and local points of interest.
(7.12 A) explain economic factors that led to the urbanization of Texas.
(7.21 A) differentiate between, locate, and use primary and secondary sources such as computer software, databases, media and news services, biographies, interviews, and artifacts to acquire information about Texas.
(7.21B) analyze information by sequencing, categorizing, identifying cause-and-effect relationships, comparing, contrasting, finding the main idea, summarizing, making generalizations and predictions, and drawing inferences and conclusions.
(7.21C) organize and interpret information from outlines, reports, databases, and visuals including graphs, charts, timelines, and maps.
(7.21D) identify points of view from the historical context surrounding an event and the frame of reference that influenced the participants.
(7.21E) support a point of view on a social studies issue or event.
Step 2 – Investigate

Texas State Library and Archives Resources:
★ Jules A. Applier’s Map of San Antonio, Texas and suburbs/after 1930. Texas State Archives Map Number 1052a. Publisher: Appler, Jules A., copyright. Description: Shows streets, blocks, public and private institutions, parks, cemetaries, the river, railroads, the original city limits, and subdivisions. http://www.tsl.state.tx.us/cgi-bin/aris/maps/maplookup.php?mapnum=1052a

EBSCO Resources:

Additional Websites:
★ http://www.tshaonline.org/handbook/online/articles/hds02
★ Urbanization: http://www.tshaonline.org/handbook/online/articles/hyunw

Use the above resources to record information on the concept map on the next page. Think about the following when using the primary sources above:
★ What message is the source trying to communicate?
★ Who is the intended audience for this source?
★ What parts of the source informs you about the topic of the lesson?
★ Which sources support or refute your original thoughts about the topic?

Technology Application TEKS
(6A) Determine and employ methods to evaluate the electronic information for accuracy and validity
(6B) Resolve information conflicts and validate information through accessing, researching, and comparing data
(6C) Demonstrate the ability to identify the source, location, media type, relevancy, and content validity of available information
(7A) Plan, create, and edit documents created with a word processor using readable fonts, alignment, page setup, tabs, and ruler settings
(7E) Create a document using desktop publishing techniques including, but not limited to, the creation of multi-column or multi-section documents with a variety of text-wrapped frame formats
(10A) Use productivity tools to create effective document files for defined audiences such as slide shows, posters, multimedia presentations, newsletters, brochures, or reports
(10D) Demonstrate appropriate use of fonts, styles, and sizes, as well as effective use of graphics and page design to effectively communicate
(11A) Publish information in a variety of ways including, but not limited to, printed copy, monitor display, Internet documents, and video.
Step 3 – Create

Students can work individually or with partners to create a concept map that organizes the information they learned about Texas. Here are some suggested topics that could be included:

Technology Link – Students may use graphic organizer software such as Inspiration, draw a table in a word processor, or create a spreadsheet using Microsoft Excel to map out their ideas.

* Allow students to share their information with another group or as a whole class.

Geographic Reasons
(immigration, migration, land use, population distribution, etc.)

Economic Reasons
(trade, industry, business, etc.)

Political Reasons
(regulation, elections, laws, etc.)

Social Reasons
(points of interest, culture, etc.)

Reasons for City Growth in the early 1900s
Step 4 – Discuss

Students may choose one of the following projects to complete:

★ **Design and create a mural** that reflects the reasons why the city grew in the early 1900s. Be sure to include pictures and ideas that reflect the major reasons that the city’s growth.

★ **Design and write a newspaper** that includes articles about the political, social, economic or geographic reasons why the city grew. Be sure to include pictures and ideas that reflect the city’s growth.

★ **Design a website** that explains the political, social, economic, or geographic reasons why the city grew. Be sure to include graphics, articles, and links to places to get more information.

◊ **Technology Link** - Students can use Microsoft Word or Publisher to develop their products. Use the EBSCO image collection to help you find images of Texas.

Step 5 – Reflect

Allow students to present their projects to the rest of the class. Use the following suggested rubric to assess the students’ work. Make sure that the students are familiar with the rubric before they begin creating their project. They should refer to the rubric repeatedly to monitor their progress in creating their project.

◊ **Technology Link**: You can also create your own rubric with your students at [http://rubistar.4teachers.org/index.php](http://rubistar.4teachers.org/index.php).
