

2016 Competitive Grant Contract Checklist — Semi-annual

Instructions

This checklist is provided as a tool to help with contract compliance for the *Texas Reads and Impact* grants. There are three different checklists, each related to a different stage of the grant period: start-up, project period, and close-out.

- On each checklist, assign the tasks listed to grant project staff for completion at the appointed reporting time, if applicable. Write the assigned person's name in the **Responsibility** column. The responsible staff person will ensure that the grant requirement has been met. If the category is not applicable to your situation, write "N/A" in the **Responsibility** column.
- At each reporting deadline, verify that each of the tasks has been completed by the person assigned. The responsible person should **initial and date** the form next to the task assigned to indicate completion or compliance with that requirement.
- The person giving final approval of the checklist should **sign off** on each reporting period on the "Reviewed by" signature line provided.
- Section I is due to TSLAC by **November 1, 2015**. The checklists in Sections II and III are to be submitted together to TSLAC by **October 31, 2016**. Forms should be submitted to the Library Development and Networking Division, ATTN: 2016 Grants, via e-mail at ld@tsl.texas.gov or fax at 512.936.2306.
- Materials referenced in the checklist are available through the TSLAC website at: <http://www.tsl.texas.gov/ld/funding/OnlineGrantHandbook/index.html>.
