A. Program Description

The Family Place Libraries Training Institute (Family Place) provides theoretical grounding and practical training for library staff in family-centered library services. By expanding the traditional role of children's services, Family Place participants build on the knowledge that good health, early learning, parent or guardian involvement, and supportive communities play a critical role in young children's growth and development.

Family Place participants will be able to create the network that families need to nurture their children's development during the critical first years of life. Family Place provides training and resources to help participants redesign their library environment to:

● Create a welcoming and developmentally appropriate environment for children beginning at birth.
● Connect parents with the resources, programs and services offered at the library and other family service agencies.
● Connect with non-traditional library users.
● Ensure children have access to resources that will allow them to enter school ready and able to learn.

The Family Place Libraries model was developed by the Middle Country Public Library in Centerreach, NY, and currently there are 101 Family Place library locations in Texas. The Family Place Libraries Training Institute will be delivered in-person by Middle Country Public Library staff at the Round Rock Public Library (Round Rock, Texas) on May 13-16, 2024.

Requirements

Family Place requires two qualified staff members to attend training – one library staff member who dedicates at least 25 percent staff time to the development and maintenance of the space for a period of three years and one library administrator.

Prior to the training, participants will:

1. Commit to attending the Family Place Libraries Training Institute, to be held in-person May 13-16, 2024, at the Round Rock Public Library (Round Rock, Texas).
2. Complete registration, online training, or other requirements prior to attending the Institute as outlined by Middle Country Public Library or TSLAC staff.
3. Notify TSLAC as soon as possible if a selected library staff member is unavailable to attend the training or becomes ineligible to attend (e.g., accepts a different position within the library or leaves employment at the library) and request approval for a different qualified library staff member to attend.
4. Execute a contract with TSLAC to receive up to $7,400. This includes $6,000 in reimbursed funds to develop the Family Place Program and up to $700 per person in travel stipends. The contract must be executed by an official of the library’s governing authority authorized to enter into this agreement. The executed contract must be returned to TSLAC prior to the commencement of training.
5. Make their own travel arrangements following their local travel procedures once stipend is received.

After training, participants will:

2. Develop a Family Place Libraries Plan for the library.
3. Purchase recommended items (up to $6000) by July 31, 2024.
4. Report on expenditures in accordance with the contract requirements and timeline provided by TSLAC.
5. Create and maintain a family friendly, interactive public space within the children’s area of the library in accordance with information provided during the training as well as local recommendations and guidance regarding safety and health.

6. Develop a Parenting Collection in or adjacent to the library children’s area.

7. Provide local in-house library staff orientation about Family Place Libraries.

**Within One (1) Year post training, participants will:**

1. Develop coalitions/partnerships with community agencies as described during the training.
2. Plan, advertise, and implement Parent-Child Workshops as described during the training.

**Within Three (3) Years post training, participants will:**

1. Plan, advertise, and implement Parent-Child Workshops as described during the training.
2. Engage in support and consulting provided by staff from the Middle Country Public Library.
3. Work with Middle Country Public Library to coordinate a site visit approximately 18 months after the training.
4. Maintain documentation regarding implementation of their Family Place Plan and report annual statistics related to the Parent-Child Workshop, Early Childhood Programs, Space Usage, Collaborations, and Outreach Efforts, as required by the Middle Country Public Library.
5. Complete all required state and Family Place Evaluations and Progress Reports about their Family Place Library.
6. Replace and refresh the materials and resources in the space for young children as needed.
7. Contact TSLAC to arrange the training of additional staff as needed to sustain the program in the event of a staff member leaving.

E. Application Review Information

Criteria for Award

This grant program is competitive. Agency staff will score proposals on the criteria listed below. A completed grant application must be submitted for review. Incomplete applications will not be reviewed. The maximum number of points for each category is listed.

The detailed scoring rubric that will be used is provided below.

1. **Needs Assessment (20 points)**
   - Describe any community needs which align with the grant purpose that your library or branch is meeting or striving to meet.

2. **Program Design (20 points)**
   - Explain how participation in this program aligns with your library or branch’s mission and goals in service to the community.

3. **Project Impact (20 points)**
   - Explain how the Family Place model and funding will equip your library or branch to enhance the current programs, services, and space for young children in the library or branch.
4. **Sustainability (20 points)**
   - Describe your library or branch’s support for continued development of the program at the conclusion of the funding period—including funding sources and/or any support from organizational leadership, partners, and community members.

5. **Evaluation (20 points)**
   - Explain how your library or branch uses program evaluation results to ensure that the library’s activities support its mission and goals.

6. **Expansion or New? (0 points)**
   - Is this an expansion or new project? Expansion projects are established, qualified, Family Place Libraries that want to expand the Family Place program into one additional branch in their library system this fiscal year.

**Funding Decisions**

(a) The agency staff will submit a recommended priority-ranked list of applicants for possible funding. Final approval of a grant award is solely at the determination of the Texas State Library and Archives Commission.

(b) Applications for grant funding will be evaluated only upon the information provided in the written application.

(c) The agency staff may negotiate with selected applicants to determine the terms of the award. To receive an award, the applicant must accept any additional or special terms and conditions listed in the grant contract and any changes in the grant application.

(d) The agency staff will notify unsuccessful applicants in writing.

**Awarding of Grants**

The commission has the right to reject applications or cancel or modify a grant solicitation at any point before a contract is signed. The award of any grant is subject to the availability of funds.

**TSLAC Staff Responsibility**

Agency staff will review each application packet for the following:

- Legal eligibility of the institution to participate in this grant program and appropriate authorizing signature
- Conformance to the federal and state regulations pertaining to grants
- Submission of all required forms
- Compliance with submission procedures and deadlines

Applications with significant errors, omissions, or eligibility issues will not be rated. Agency staff will be available to offer technical assistance to reviewers.

**Decision Making Process**

To be considered eligible for funding by the commission, any application must receive a minimum adjusted mean score of more than 60 percent of the maximum points available. To reduce the impact of scores that are exceedingly high or low, or otherwise outside the range of scores from other reviewers, agency staff will tabulate the panel’s work using calculations such as an adjusted mean score.

(1) Applications will be ranked in priority order by score for consideration by the commission.

(2) If insufficient funds remain to fully fund the next application, the staff will negotiate a reduced grant with the next ranked applicant.
If the panel recommends funding an application that, for legal, fiscal, or other reasons, is unacceptable to the staff, a contrary recommendation will be made. The applicant will be informed of this situation prior to presentation to the commission and may negotiate a revision to the application. A positive recommendation to the commission will be contingent upon successfully completing these negotiations prior to the commission meeting.

If the panel is unable to produce a set of recommendations for funding, the agency staff will use the same evaluation procedures to develop recommendations to the commission.

### Scoring Rubric

**Project Scoring Total in Five Areas: 100 points**

The purpose of this grant is to create a welcoming, family-centered environment that empowers caregivers of young children as they become their child’s first teachers. This grant will provide funding for the equipment and training necessary for each library to: host workshops for children 0-3 and their caregivers, develop an interactive space for this age group to play and learn in the library, and forge strong partnerships with community organizations serving young children and their families.

The specific needs of each library and their community as well as their ability to sustain the program through the three-year grant period and beyond will be considered in the evaluation of all criteria. Each criterion may be scored as follows:

| 0 Score Points | Project does not meet the goals and purposes of the grant program. |
| 1 Score Point | Project minimally meets the goals and purposes of the grant program. |
| 2 Score Points | Project partially meets the goals and purposes of the grant program. |
| 3 Score Points | Project adequately meets the goals and purposes of the grant program. |
| 4 Score Points | Project fully meets the goals and purposes of the grant program. |
| 5 Score Points | Project thoroughly meets the goals and purposes of the grant program. |

F. Award Administration Information

Notice of Award

Applicants will be notified of the funding decisions via e-mail. The notification will include an award letter and protest procedures, which are also included in this notice.

Once the awards have been awarded, successful applicants will receive instructions on how to proceed. TSLAC will provide mandatory training for successful applicants.

Protest Procedure — Texas State Library and Archives Commission, 13 TAC §2.55

(a) An aggrieved person who is not satisfied with a decision, procedure, or service received from the staff of the Texas State Library and Archives Commission or who is an actual or prospective bidder, grantee, or contractor aggrieved in connection with a solicitation, evaluation, or award may file a protest with the Director and Librarian in accordance with this rule.

(b) A protest must be submitted to the Director and Librarian within 21 days after the person knows or should have known of the matter which is protested. The Director and Librarian has the discretion to allow a protest filed after 21 days if the protestant shows good cause for the late filing or if the protest raises an issue significant to the general policies and procedures of the commission.

(c) The protestant shall mail or deliver a copy of the protest to all interested persons. The Director and Librarian will furnish a list of interested persons to a protestant. For protests of a competitive selection (bid, contract, or grant), interested persons shall include all persons who have submitted a bid, proposal, or application.

(d) A protest must be in writing and identified as a protest under this section, and contain the following:

1. A description of the protestant’s interest in the matter;
2. The issue(s) to be resolved and remedy(s) requested;
3. The protestant’s argument supporting the protest, including a statement of relevant facts and applicable law, specifying the statutes, rules, or other legal authority alleged to have been violated;
4. The protestant’s affirmation that facts set forth in the protest are true; and
5. A certification that a copy of the protest has been mailed or delivered to all interested persons.

(e) Upon receipt of a protest conforming to the requirements of this section, the commission shall not proceed with the solicitation, award, or contract until the protest is resolved, unless the Director and Librarian makes a written determination that delay would harm the substantial interests of the state.

(f) The Director and Librarian has the authority to decide, settle, or resolve the protest and will make a written determination. The Director and Librarian may solicit written responses to the protest from other parties. The Director and Librarian shall inform the protesting party and other interested parties by letter of his determination, and how to appeal the determination to the commission.

(g) An interested party may appeal the determination of the Director and Librarian. An appeal must be in writing and conform to paragraph— (1) - (3) of this subsection:

1. The appeal must be received in the office of the Director and Librarian no later than 15 days after the date the determination is mailed to interested parties;
2. A copy of the appeal must be mailed or delivered by the appealing party to all interested parties and contain a certification of mailing or delivery;
3. The appealing party must state whether or not an opportunity is requested to make an oral presentation to the commission in open meeting.

(h) The Director and Librarian shall refer the matter to the commission for their consideration at an open meeting.
(i) The chair of the commission has the discretion to allow an appeal filed more than 15 days after the Director and Librarian’s determination if the appealing party shows good cause for the late filing or if the appeal raises an issue significant to the general policies or procedures of the commission.

(j) An interested party may file a response to an appeal of the determination of the Director and Librarian no later than seven days after the appeal is mailed or delivered.

(k) Copies of the appeal and responses of interested parties, if any, shall be mailed to the commission by the Director and Librarian.

(l) The chair of the commission has the discretion to decide whether or not a request for oral presentations will be granted and will set the order and amount of time for oral presentations that are allowed. The chair also has the discretion to decide whether presentations and written documents presented by Commission staff and interested parties will be allowed.

(m) The commission will determine properly filed appeals and make its decision in open meeting. The commission shall vote to uphold or reverse the decision of the Director and Librarian. Failing a majority vote of a quorum of the commission, the Director and Librarian’s decision is upheld. The commission’s decision is final and not subject to judicial review under the statutes governing the commission.

(n) A decision issued either by the commission in open meeting or in writing by the Director and Librarian shall be the final administrative action of the commission.

(o) Documentation concerning a protest of a competitive selection is part of the commission’s records series for that selection and is retained in accordance with the commission’s approved records retention schedule.
