E. Application Review Information

Criteria for Award

This grant program is competitive. Agency staff will score proposals on the five criteria listed below. The maximum number of points for each category is listed.

The detailed scoring rubric that will be used is provided below.

1. Needs Assessment (25 points)

Describe the community you serve using demographic statistics, library records, survey data, or other sources. Describe the circumstances that created the need for this program in the community. Describe the program goals and the target audience.

2. Program Design (25 points)

Describe the services, programs, and activities that you will create and provide to the community.

3. Project Impact (20 points)

Describe the impact your project will have on the community and how it will meet the need you have identified in the community.

4. Timetable (15 points)

Present a detailed timetable for how you intend to roll out all project activities within the grant timeline.

5. Budget (15 points)

Please indicate what items and/or services the library will purchase. Provide justification for purchases and provide relevant documentation verifying stated costs. If exact quantity and/or cost information is unavailable, please provide an estimate.

Funding Decisions

- (a) The agency staff will submit a recommended priority-ranked list of applicants for possible funding. Final approval of a grant award is solely at the determination of the Texas State Library and Archives Commission.
- (b) Applications for grant funding will be evaluated only upon the information provided in the written application.
- (c) The agency staff may negotiate with selected applicants to determine the terms of the award. To receive an award, the applicant must accept any additional or special terms and conditions listed in the grant contract and any changes in the grant application.
- (d) The agency staff will notify unsuccessful applicants in writing.

Awarding of Grants

The commission has the right to reject applications or cancel or modify a grant solicitation at any point before a contract is signed. The award of any grant is subject to the availability of funds.

TSLAC Staff Responsibility

Agency staff will review each application packet for the following:

- Legal eligibility of the institution to participate in this grant program and appropriate authorizing signature
- Conformance to the federal and state regulations pertaining to grants
- Inclusion of unallowable costs
- Errors in arithmetic or cost calculations
- Submission of all required forms
- Compliance with submission procedures and deadlines
- Relevance and appropriateness of the project design and activities to the purpose of the grant program

Agency staff will raise issues and questions regarding the needs, methods, staffing, and costs of the applications. Staff will also raise concerns regarding the relevance and appropriateness of the project design and activities to the purpose of the grant program.

Applications with significant errors, omissions, or eligibility issues will not be rated. Applications in which the project design and activities are not relevant and appropriate to the purpose of the grant program will be ineligible.

Grant Review Panel Responsibility

Agency staff will review and score grants based on established criteria under an expedited process.

Decision Making Process

To be considered eligible for funding by the commission, any application must receive a minimum adjusted mean score of more than 60 percent of the maximum points available. To reduce the impact of scores that are exceedingly high or low, or otherwise outside the range of scores from other reviewers, agency staff will tabulate the panel's work using calculations such as an adjusted mean score.

- (1) Applications will be ranked in priority order by score for consideration by the commission.
- (2) If insufficient funds remain to fully fund the next application, the staff will negotiate a reduced grant with the next ranked applicant.
- (3) If the panel recommends funding an application that, for legal, fiscal, or other reasons, is unacceptable to the staff, a contrary recommendation will be made. The applicant will be informed of this situation prior to presentation to the commission and may negotiate a revision to the application. A positive recommendation to the commission will be contingent upon successfully completing these negotiations prior to the commission meeting.
- (4) If the panel is unable to produce a set of recommendations for funding, the agency staff will use the same evaluation procedures to develop recommendations to the commission.

(b) A protest must be submitted to the Director and Librarian within 21 days after the person knows or should have known of the matter which is protested. The Director and Librarian has the discretion to allow a protest filed after 21 days if the protestant shows good cause for the late filing or if the protest raises an issue significant to the general policies and procedures of the commission.

(c) The protestant shall mail or deliver a copy of the protest to all interested persons. The Director and Librarian will furnish a list of interested persons to a protestant. For protests of a competitive selection (bid, contract, or grant), interested persons shall include all persons who have submitted a bid, proposal, or application.

- (d) A protest must be in writing and identified as a protest under this section, and contain the following:
- (1) A description of the protestant's interest in the matter
 - (2) The issue(s) to be resolved and remedy(s) requested

 - (4) The protestant's affirmation that facts set forth in the protest are true
 - (5) A certification that a copy of the protest has been mailed or delivered to all interested persons
- (e) Upon receipt of a protest conforming to the requirements of this section, the commission shall not proceed with the solicitation, award, or contract until the protest is resolved, unless the Director and Librarian makes a written determination that delay would harm the substantial interests of the state.
- (f) The Director and Librarian has the authority to decide, settle, or resolve the protest and will make a written determination. The Director and Librarian may solicit written responses to the protest from other parties. The Director and Librarian shall inform the protesting party and other interested parties by letter of his determination, and how to appeal the determination to the commission.
- (g) An interested party may appeal the determination of the Director and Librarian. An appeal must be in writing and conform to paragraphs (1) - (3) of this subsection:
- (1) The appeal must be received in the office of the Director and Librarian no later than 15 days after the date the determination is mailed to interested parties;
 - (2) A copy of the appeal must be mailed or delivered by the appealing party to all interested parties and contain a certification of mailing or delivery;
 - (3) The appealing party must state whether or not an opportunity is requested to make an oral presentation to the commission in open meeting.
- (h) The Director and Librarian shall refer the matter to the commission for their consideration at an open meeting.
- (i) The chair of the commission has the discretion to allow an appeal filed more than 15 days after the Director and Librarian's determination if the appealing party shows good cause for the late filing or if the appeal raises an issue significant to the general policies or procedures of the commission.
- (j) An interested party may file a response to an appeal of the determination of the Director and Librarian no later than seven days after the appeal is mailed or delivered.
- (k) Copies of the appeal and responses of interested parties, if any, shall be mailed to the commission by the Director and Librarian.
- (l) The chair of the commission has the discretion to decide whether or not a request for oral presentations will be granted and will set the order and amount of time for oral presentations that are allowed. The chair also has the discretion to decide whether presentations and written documents presented by Commission staff and interested parties will be allowed.
- (m) The commission will determine properly filed appeals and make its decision in open meeting. The commission shall vote to uphold or reverse the decision of the Director and Librarian. Failing a majority vote of a quorum of the commission, the Director and Librarian's decision is upheld. The commission's decision is final and not subject to judicial review under the statutes governing the commission.
- (n) A decision issued either by the commission in open meeting or in writing by the Director and Librarian shall be the final administrative action of the commission.
- (o) Documentation concerning a protest of a competitive selection is part of the commission's records series for that selection and is retained in accordance with the commission's approved records retention schedule.
