

School Library Standards

Texas

6 Common Beliefs

AASL

6 Guiding Values

School libraries promote information literacy

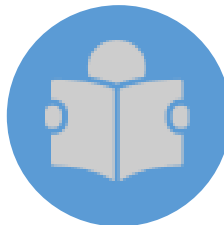

Intellectual freedom is every learner's right

School libraries provide access to information for inquiry

Learners should be prepared for college, career, and life

School libraries support reading

Reading is the core of personal and academic mastery

School libraries are vital technology centers

Information technologies must be appropriately integrated and equitably available

School libraries are essential, safe, and inviting centers for teaching and learning

The school library is a unique and essential part of a learning community

School libraries are effective when staffed by full-time, certified school librarians

Qualified school librarians lead effective school libraries
