Annual Assembly

2011 Luncheon Speaker Rep. Rolando Gutierrez (San Antonio) and TLA President Jerilyn Williams.

*Catch up on TLA activities and keep **YOUR ASSOCIATION** moving forward!*

At Annual Assembly, held in July in Austin, TLA officers and committees gather to plan the year's activities and events. Conference planning at assembly includes program proposals and scheduling. In addition to the work meetings, several programs and special activities are offered. All members of the association are encouraged to attend to learn more about unit activities and to participate in TLA's programs.

[FUTURE ANNUAL ASSEMBLY DATES](#)

OPEN AND CLOSED MEETINGS

TLA policy requires that all meetings are open (see TLA Bylaws Article XIII, Section 3) except when personnel matters are being discussed.

NON-TLA GROUPS MEETING AT ASSEMBLY

The Texas Library Association will attempt to honor requests from NON-TLA groups for meeting space at Annual Assembly, if the request comes from a group that is library related and whose purpose is allied to TLA's. Priority for meeting times and space will be given to TLA groups. Outside organizations will be charged for any audio-visual equipment and/or catering used.

ROOMMATE & RIDESHARING SERVICE

Need a roommate for Annual Assembly? Want to share a ride to/from Austin? Login to [MyTLA](#) and join the [Roommates & Ridesharing](#) group, then post your housing or transportation needs as a discussion topic to the group. Interested parties will contact you to arrange logistics and details.

NMRT Mentor Program

- Mentor Program
- Who is a Mentee?
- Who is a Mentor?

The TLA NMRT Mentor Program is designed to assist new members in learning more about TLA and its benefits, as well as helping them grow professionally, by providing the opportunity for new members to be partnered with a seasoned TLA member who can share their professional experience. The program is open to:

- New librarians in the first 5 years of their professional career
- Library school students
- TLA members in the first 5 years of association membership

Membership in TLA is required. NMRT membership is encouraged. Conference attendance is not required. Mentor/mentee partnerships will officially run from January to December.

Mentors and mentees will be partnered based on their similar interests, professional experience or goals, and when able, by their geographic proximity to each other. While face-to-face communication is not required, we hope that mentors and mentees who are near one another take the opportunity to meet in person. The availability of mentors and mentees and the information provided on the applications will determine the partnerships made.
