

FY 2014 Competitive Grant Contract Checklist — Quarterly

Instructions

This checklist is provided as a tool to help with contract compliance for the *Special Projects, Library Cooperation, and TexTreasures* grants. There are three different checklists, each related to a different stage of the grant period: start-up, project period, and close-out.

- On each checklist, assign the tasks listed to grant project staff for completion at the appointed reporting time, if applicable. Write the person's name in the **Responsibility** column. The responsible staff person will ensure that the grant requirement has been met. If the category is not applicable to your situation, write "N/A" in the **Responsibility** column.
- At each reporting deadline, verify that each of the tasks has been completed by the person assigned. The responsible person should **initial and date** the form next to the task assigned to indicate compliance with that requirement.
- The person giving final approval of the checklist should **sign off** each reporting period on the "Reviewed by" signature line provided.
- Section I is due to TSLAC by **November 1, 2013**. The checklists in Sections II and III are to be submitted together to TSLAC by **October 31, 2014**.
- Materials referenced in the checklist are available through the TSLAC website at: <http://www.tsl.state.tx.us/ld/funding/OnlineGrantHandbook/index.html>.
