Program Overview

Participation is completely optional!

The Texas State Library and Archives Commission (TSLAC) supports a statewide interlibrary loan program in order to ensure Texans will have access to shared library resources to meet learning and informational needs.

The **goal** of the Interlibrary Loan (ILL) Lending Reimbursement Program is to support and encourage libraries in the statewide resource sharing endeavors by reimbursing direct, out-of-pocket costs associated with participation. These may include shipping costs and supplies, courier contracts, and staff time.
