TexShare Card Agreement: Introduction

The TexShare libraries, adopting a common goal to promote and facilitate access to information, communication, and research among their communities, will extend free reciprocal borrowing privileges to each other's patrons, so they may have direct, personal access to materials that are not available at the home library. The covenants listed below are intended to accomplish this goal. This Agreement became effective March 10, 2000.

Several points should be emphasized before the covenants of this Agreement are set forth:

• The covenants are intended to be minimums. Any TexShare library is free to expand the privileges it wishes to offer, but it should not do so in the expectation that other libraries will do likewise.

• This Agreement is not intended to supplant other agreements between or among libraries, nor is it intended to be the only agreement of this kind which is permitted between or among libraries of like interest or common concern.

• It is hoped that the on site privileges extended to a borrower from another library will be as close as possible to the privileges the lending library extends to its own borrowers.

• This Agreement should in no way be interpreted as conferring rights on any borrower. The agreement is for privileges that may be revoked at any time by the borrower's home library or withheld by the lending library.
TexShare Card Agreement:
Privileges

An eligible patron of a TexShare library may use the collections of any TexShare library on site, and, upon completion of the borrower's agreement and with proper identification, borrow materials that they may take away with them. Any individual known to have outstanding charges at his/her home library may be denied the right to participate in the TexShare Card program.

Participating libraries have agreed to honor the TexShare card. While libraries may implement their own policies and procedures for lending to TexShare borrowers, and may set different lending policies for these categories of users (public, undergraduate student, graduate student, faculty, staff), participants may not establish policies which have the effect of prohibiting use by patrons from any type of TexShare member library (academic or public).
TexShare Card Agreement:
Library Responsibilities

• **Lending Policy**
  – Each library will maintain on the TexShare Web a current record of privileges and limitations applicable to this Agreement, including collections or types of materials not subject to the borrowing privileges conferred under this Agreement, so a prospective borrower may become acquainted with the regulations of the lending library.

• **Issue and Honor TexShare Cards**
  – Eligible borrowers may request from their home library an authorized TexShare Card to present as identification at other TexShare libraries. Libraries may refuse to issue TexShare Cards to borrowers with outstanding charges at their home library or outstanding charges at any other TexShare library.
  – Cards and supplies available from Texas State Library and Archives Commission **AT NO CHARGE**
    *TexShare@tsl.texas.gov*
    *(800) 252-9386*

• **Maintain data about Card usage**
  – Number of cards issued to home library’s borrowers
  – Number of cards accepted from visitors from other libraries
  – Number of items circulated
  – Number and amount of lost items

- Lending libraries must take available and appropriate actions, including timely notification to the home library, to recover payment from delinquent borrowers.

Home libraries will take appropriate action with regard to delinquent borrowers, including suspension of privileges extended under this agreement or any other measures deemed appropriate and consistent with local library practice.
  - Send notice to https://lists.tsl.state.tx.us/mailman/listinfo/texshare-card
- If lending libraries fail to receive payment from borrowers for lost or damaged materials, home libraries will reimburse lending libraries for obligations outstanding longer than six months. Reimbursement will cover the cost of materials only.
What Records Should I Keep?

  – Add note for TexShare Cards issued to your patrons; include expiration date, staff member who issued card
  – Add lost items and fines reported by other libraries to patron’s record

• Paper log
  – Number of TexShare Cards issued to your patrons
  – Fees and lost items reported to patrons’ home libraries (formal invoices after 6 months)
  – Fees paid to other libraries to replace lost items (if any)
