- **Order your free materials before November 15, 2012!**

The State Library supports participating libraries by paying for a limited number of CSLP bookmarks, posters, certificates, and reading logs. However, unlike past programs you can submit only **ONE** order. [Click here](#) to order your free materials online from the State Library before November 15, 2012!

Please **order your children's and teen materials in amounts similar to what you received free from the State Library last year**. This will help ensure that everyone who wishes can take advantage of the new adult and early literacy program materials.

Libraries may order additional materials and incentives (at their own expense) directly from <http://cslpreads.org>. Order those materials by December 1, 2012 for a guaranteed delivery before March 1, 2013.

- **Instruction for creating your CSLP account**

Don't forget to register for a <http://cslpreads.org> login - there is a cornucopia of good information about the 2013 CSLP reading themes available on the site. Also check out the fun Teen Video Challenge opportunity, more details of which will be coming soon to the [State Library Website](#) and to our [Summer Reading newsletter](#). When logged in, you can take advantage of downloads, online ordering directly from the CSLP catalog (at your expense), and more.

Creating your account is as easy as 1, 2, 3:

1. Go to <http://cslpreads.org> and click on the "Create Account" button
2. Fill out the registration form. Once form is submitted, CSLP staff will verify your account as being a part of the Texas membership, and you will get an email confirmation.

When you get your email confirmation from CSLP, acknowledge it to complete your registration.
