

Fun and Free Stuff!

The Library of Texas (<http://www.libraryoftexas.org>) is a free website that lets you search multiple library catalogs and newspaper/magazine databases at the same time. Would you like to help make the Library of Texas easier to use AND get a free gift? If so, then volunteer for this survey!

It will only take 5-10 minutes of your time. You will look at some possible designs for the Library of Texas website, and then share your opinions about them.

Dr. Diane Neal from TWU will be at Little Elm Pubic Library to give the survey on Wednesday, April 25, from 1-3 pm.

Please come at a time convenient for you.

For questions, please call or email:

Diane Neal, PhD
Assistant Professor
Texas Woman's University
