

# Technology Planning and Policy

**Regina Rousseau**

**Assistant Director, DIR**

e-Records Conference | November 9, 2011

# Strategic Planning

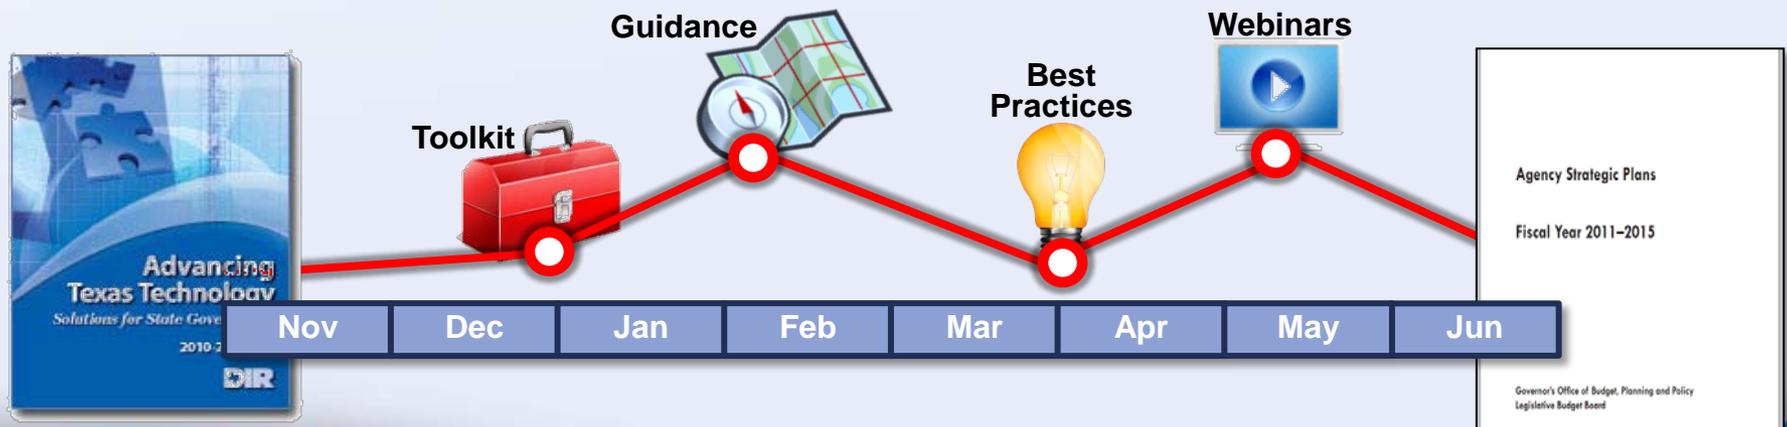

# SSP Top 10 Priorities

1. Cloud
2. Data Management
3. Data Sharing
4. Infrastructure
5. Legacy Applications
6. Mobility
7. Network
8. Open Data
9. Security/Privacy
10. Social Media

# Supplemental Material

- DIR publishes the SSP in November 2011
- Agencies identify the SSP priorities that inform their use and management of technology and align these priorities with their agency planning process
- Agencies describe how they align with the SSP in their Agency Strategic Plans by June/July 2012
- DIR will publish supplemental material to guide agencies in their technology planning activities
- The SSP becomes more **practical** and **actionable** for agencies
