

e-Records Conference 2017

*The annual conference for Texas state government
and institutions of higher education*

**Friday, November 17, 2017
Austin, Texas**

Invitation to Exhibit or to Propose a Speaker

Reach 250 – 300 Texas government officials involved in the management of electronic records and compliance by exhibiting during this year's annual e-Records Management conference.

Hosted by the Texas State Library and Archives Commission (TSLAC) and the Texas Department of Information Resources (DIR), this dynamic one-day conference is for State of Texas staff interested in the management of electronic records. Attendees include Information Resource Managers (IRMs), Records Management Officers (RMOs), and others involved in the overlapping issues of these disciplines. This popular annual conference provides an excellent opportunity for your company to meet decision-makers from Texas government interested in related products and services.

EXHIBITORS: Maximize exposure and save money by registering early!
The cost to exhibit is only \$545 for those who confirm by August 17th.
Submit exhibitor registration online via the conference website.

As in previous years, exhibitors will display tabletop exhibits rather than convention-style booths. Past exhibitors have enjoyed the low cost, easy setup, and informal environment. Space is limited, so register early!
