This approved retention schedule provides you with continuing authorization to dispose of agency records according to its terms. Please note that state rules (13 TAC §6.8) require documentation of the final disposition of records by your agency. This requirement may be met by maintaining a disposition log or other evidence of the records series titles, dates covered, volume, and date of disposition. The destruction of any records of your agency not on your schedule requires special authorization from us.

Each agency schedule must be reviewed, updated, and submitted for recertification according to a timeline established by the Texas State Library and Archives Commission. Your next recertification is scheduled for **June 2029**.

During a certification period, changes may need to be made to your schedule. State rules (13 TAC §6.4) also allow for the submission of amendments to the retention schedule as needed to keep the information in the schedule current. If you are not familiar with the amendment process, or if you have any other questions, please contact the Government Information Analyst assigned to your agency:

Raul Gonzalez

Your efforts in developing a records retention schedule are appreciated. It not only helps to ensure the integrity of your recordkeeping practices, but it is also essential to the success of your records management program.

Sincerely,
