Re: Agency records retention schedule amendment approved for use

Dear Ms. Hammonds:

Amendment 1 to your agency's 3rd recertification of your records retention schedule is approved for use as of Thursday, October 23, 2014. Your currently approved records retention schedule and all amendments are available on our website at <https://www.tsl.texas.gov/slrn/state/schedules.html>. Please maintain this amendment with your currently approved schedule so that it can be easily referenced.

We appreciate your efforts in maintaining an up-to-date schedule. Making additions and changes to your schedule as you identify them not only ensures the integrity of your recordkeeping practices, but keeps your agency in compliance with state regulations (13 TAC §6.4) requiring the submission of any needed amendments to a retention schedule during its certification period to keep the information in the schedule current.

We will notify you of the date your schedule is due for recertification. Any additional approved amendments to your schedule, such as this one, should be incorporated into your main retention schedule prior to submitting it for recertification.

Thank you again for your commitment to complying with state records management laws and regulations. If we can provide any assistance to you, please contact the Government Information Analyst assigned to your agency, Bonnie Zuber, at 512-463-0188 or [bzuber@tsl.texas.gov](mailto:bzuber@tsl.texas.gov).

Sincerely,

Craig Kelso

Dear Ms. Johnson:

Enclosed is a copy of your recertified records retention schedule. Please ensure all old copies of the schedule are superseded with this recertified copy.

Your recertified retention schedule provides you with continuing authorization to dispose of agency records according to its terms. Please note that state regulations (13 TAC §6.8) require documentation of the final disposition of records by your agency. This requirement may be met by maintaining a disposition log or other evidence of the records series titles, dates covered, volume, and date of disposition. We urge on you the importance of disposing of the records of your agency in a timely manner in accordance with the retention periods on your schedule. The destruction of any records of your agency not on your schedule requires special authorization from us.

During a certification period, state regulations (13 TAC §6.4) also require the submission of amendments to the retention schedule as needed to keep the information in the schedule current. If you are not familiar with the amendment process, contact the government information analyst assigned to your agency.

Your efforts in maintaining an up-to-date records retention schedule are appreciated. It not only helps to ensure the integrity of your recordkeeping practices, but it is also essential to the success of your records management program. Your schedule will be due for recertification on the last working day of March 2016. If you have any questions, call the information analyst assigned to your agency, Bonnie Zuber, at 512-463-0188.

Sincerely,

Craig Kelso
