We appreciate your efforts in maintaining an up-to-date schedule. Making additions and changes to your schedule as you identify them not only ensures the integrity of your recordkeeping practices, but keeps your agency in compliance with state rules (13 TAC §6.4) requiring the submission of any needed amendments to a retention schedule during its certification period to keep the information in the schedule current.

We will notify you of the date your schedule is due for recertification. Any additional approved amendments to your schedule, such as this one, should be incorporated into your main retention schedule prior to submitting it for recertification.

Thank you again for your commitment to complying with state records management laws and regulations. If we can provide any assistance to you, please contact the Government Information Analyst assigned to your agency:

Re: Agency records retention schedule approved for use.

Dear Mr. Brunjes,

Lorenzo de Zavala
State Archives and
Library Building

Your agency's records retention schedule is approved for use as of November 14, 2017. Your currently approved records retention schedule is available on our website at <https://www.tsl.texas.gov/slrn/state/schedules.html>. Please ensure that all old copies of the schedule are superseded with this recertified copy.

1201 Brazos Street
Austin, Texas
78701

Your approved retention schedule provides you with continuing authorization to dispose of agency records according to its terms. Please note that state regulations (13 TAC §6.8) require documentation of the final disposition of records by your agency. This requirement may be met by maintaining a disposition log or other evidence of the records series titles, dates covered, volume, and date of disposition. The destruction of any records of your agency not on your schedule requires special authorization from us.

P.O. Box 12927
Austin, Texas
78711-2927

Each agency schedule must be reviewed, updated and submitted for recertification annually for the first two years after the initial approval of the schedule and every five years thereafter. The deadline for submission of your schedule for its next recertification is the last working day of November, 2022.

www.tsl.texas.gov

Commission Chairman
Michael C. Waters

During a certification period, changes may need to be made to your schedule. State regulations (13 TAC §6.4) also allow for the submission of amendments to the retention schedule as needed to keep the information in the schedule current. If you are not familiar with the amendment process, or if you have any other questions, please contact the Government Information Analyst assigned to your agency, Gina Cervantes at 512-463-6623 or gcervantes@tsl.texas.gov.
