CONLLEVANDO LA DISCAPACIDAD VISUAL TEXAS TALKING BOOK PROGRAM

Title: HABLAME II

Author: BLIND CHILDRENS CENTER

Original Date: 1987

Hablame II is the second of five pamphlets in this series. Its focus is that language development is even more important for non-sighted children than it is for sighted children. Parents are instructed in special language skills they can employ in assisting the development of their visually impaired infant. Spanish language.
