

Mark your calendars! These new resources are coming soon!

TEXAS STATE LIBRARY
AND
ARCHIVES COMMISSION

June 15, 2016 *Shared Content for TexShare and TexQuest Members*

A resource providing contextual information on hundreds of science topics. By integrating authoritative reference content with headlines and videos, it draws students into the subject matter, showing how scientific disciplines relate to real-world issues, from weather patterns to obesity.

An easy-to-use online resource that provides multimedia content to complement children's and young adult books. Resources include audio book readings, book discussion guides, lesson plans, and more, for over 40,000 children's and young adult books in English and Spanish.

July 1, 2016 *Exclusive Content for TexShare Members*

Provides online full text for many of the top consumer legal reference books, hundreds of publications, and thousands of multi-state forms to assist the general public in legal matters of all kinds. Includes 530 Texas specific forms and 60 forms with Spanish content.

A comprehensive resource of legal documents, continuously updated to reflect the latest state laws. Features include personalized forms, comprehensive descriptions of each form and its use, legal questions and answers from attorneys, and state-specific legal information.

Provides academic institutions with online resources for skill building in reading, writing, math, science, and computer skills, college admissions prep and placement tests, graduate school admission exams, the GED test, workplace soft-skills training, and preparation for occupational licensing.

The *ProQuest SciTech Collection* is a database covering key STEM areas, while the *Science & Technology Ebook Subscription* offers carefully curated STEM related ebooks. *E-Libro Premium* is a comprehensive Spanish language ebook database, and *DASH!* is a product that empowers libraries to create, upload, and share their own PDF collections.

The TexShare Databases are funded in part by a grant from the US Institute of Museum and Library Services. The TexShare Databases are a program of the Texas State Library and Archives Commission, made possible by state and federal funds, as well as member participation fees.
