

New Resources Coming August 15, 2016!

pronunciator: **TexShare Databases Core:** Pronunciator's straight forward approach teaches practical language skills across every functional area:

Listening, speaking, reading, writing, grammar, and culture. Courses for 80 languages are available, with up to 22 months of guided instruction per language. Pronunciator also provides citizenship preparation courses in English and Spanish; a 6 week immersion course for front-line healthcare providers; 250+ live, half-hour classes per week led by native speakers; quizzes, flashcards, phrasebooks, and pronunciations guides; streaming feature films with subtitles plus integrated drills and quizzes; streaming major label music with lyrics to facilitate learning; and the ability to design customized online language courses for students. All of these features are available in natively programmed apps for iPads, iPhones/iPod touch, Android tables, Android phones, and Kindle fire.

Flipster **TexSelect option:** Flipster is a next-generation digital magazine solution. Flipster provides libraries with digital magazine subscriptions to popular magazines on a title-level

basis. Subscriptions to each title are annual and usage models are predetermined by the magazine publisher. Publishers can set the following limits per title: 50, 100, 500 or Unlimited simultaneous users. More than 90% of the titles are offered with unlimited access. EBSCO currently offers 850 digital magazine titles, 260 of which are unique to Flipster; nearly 700 are popular magazine titles. New content is added weekly. EBSCO offers a 50% discount on annual subscriptions to Flipster titles for TSLAC member libraries with a 5% industry-standard platform service fee per title. To take advantage of TexShare member pricing, contact your EBSCO representative or see <https://www.tsl.texas.gov/texshare/vencontact.html>.
