TexShare

Access TexShare for information about careers, environment, history, general reference and much more!

Topics you're interested in from the sources you want: magazines, journals, books, and reference works with accurate, relevant and verifiable information. The TexShare databases are subscription-only e-resources from Texas libraries, so results are from authoritative sources and won't be found anywhere else.

Ask your librarian for eligibility and access instructions. To read more about the databases, go to <http://www.tsl.state.tx.us/texshare/>. TexShare online resources are offered as a public service from Texas libraries and the Texas State Library and Archives Commission. Remember, health information from TexShare databases is not intended or implied to be a substitute for professional medical advice, diagnosis or treatment.
