

# FY 16 Family Place Libraries Progress Report

## Welcome!

---

This survey is a progress report for participants in the Texas State Library Family Place Libraries Project who attended the Training Institute in October and November 2015. Please complete only one survey per library. Two librarians from each participating library attended the Family Place Libraries training and you may confer with one another or complete the survey together. Thank you very much for taking the time to complete this survey!

Each participating library will receive a copy of the report. The Texas State Library may publicize the results on social media and in press releases, and the aggregate report will be shared with the Institute of Museum and Library Services.

Time to Take: Approximately 10 - 20 minutes.

Dates of Survey: Aug. 19, 2016 - Sept. 19, 2016

The FY 16 Texas State Library Family Place Libraries Project is funded in part through a grant from the Institute of Museum and Library Services (2016).
